The Uses and Abuses of Weaponized Interdependence Daniel W. Drezner,Henry Farrell,Abraham L. Newman,2021-03-02 How globalized information networks can be used for strategic advantage Until recently globalization was viewed on balance as an inherently good thing that would benefit people and societies nearly everywhere Now there is growing concern that some countries will use their position in globalized networks to gain undue influence over other societies through their dominance of information and financial networks a concept known as weaponized interdependence In exploring the conditions under which China Russia and the United States might be expected to weaponize control of information and manipulate the global economy the contributors to this volume challenge scholars and practitioners to think differently about foreign economic policy national security and statecraft for the twenty first century The book addresses such questions as What areas of the global economy are most vulnerable to unilateral control of information and financial networks How sustainable is the use of weaponized

interdependence What are the possible responses from targeted actors And how sustainable is the open global economy if weaponized interdependence becomes a default tool for managing international relations **New York Magazine**,1992-11-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Sports Betting For Dummies* Swain Scheps,2020-06-30 The sports gambling book you can bet on Sports betting combines America s national pastime sports with its national passion gambling In the U S more than a third of the population bets on at least one sporting event every year With the recent lifting of the federal ban on sports gambling states are pushing legislation to take advantage of the new potential source of revenue The best sports betting books are data driven statistically honest and offer ways to take action Sports Betting For Dummies will cover the basics as well as delving into more nuanced topics You ll find all the need to know information on types of bets statistics handicapping fundamentals and more Betting on football basketball baseball and other sports Betting on special events such as the Superbowl or the Olympics Money management Betting on the internet With handy tips tricks and tools Sports Betting For Dummies shows you how to place the right bet at the right time to get the right payoff **The Comprehensive Guide to Careers in Sports** Glenn M. Wong,2013 Provides an overview of what students should consider and expect from the varied career options available to them in the sports industry This book answers the questions students are most likely to have including what courses they should take the areas of study available to them the salary they can expect to earn after graduation and how they can get the job of their dreams This essential guide will help increase students likelihood of finding careers in the highly competitive sports industry National Basketball Association Franchises Frank P. Jozsa Jr.,2017-02-09 This book examines the development and organization of the NBA and its clubs how each club has performed in seasons and postseasons and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment Each chapter contains two core themes Team Performance and Franchise Business The former highlights how teams won division and conference titles and NBA championships while the latter analyzes and compares financial data including revenue gate receipts and operating income The book also explores such things as when each franchise organized and why it joined the NBA a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their arenas rank as venues for fans This book explains why particular teams located in very large large mid-sized or small markets win more games and titles than others and when and how frequently this occurs In addition it provides ways to individually and by division or conference compare basketball franchises from a financial perspective The Last Enforcer Charles Oakley, Frank Isola,2022-02 Oakley s individual stats weren t remarkable and

while he helped power the Knicks to ten consecutive playoffs he never won a championship So why does he hold such a special place in the minds hearts and memories of NBA players and fans Because over the course of nineteen years in the league Oakley was at the center of many unbelievable encounters and nearly as many fights as Mike Tyson If any opposing player was crazy enough to start a fight with him or God forbid one of his teammates Oakley would end it Here Oakley shares one incredible story after the next about his life in the paint and beyond fighting for rebounds and respect adapted from jacket Vibe ,2008 **New York Magazine** ,1992-11-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea 52-week Basketball Training Chip Sigmon,2003 Designed for both male and female players this title presents daily workouts for optimal training throughout the year so that players can withstand the rigors of the sport Explanations and detailed illustrations provide clear instruction on how to perform each of the 192 drills and exercises
