WARNING **AGES 8+**
 Many of the solutions for children under 8 years of age are either adult supervised, contain harsh chemicals which present a choking hazard, or have the instructions to remove the child from the area and keep them away from the product. Do not allow chemicals to come in contact with any part of the child's body, including the face and neck. Always use caution when you are around any household product, and always use the appropriate safety precautions. Read the experimental instructions for each product carefully. If you are unsure of the proper use of a household product, ask your pharmacist for expert advice.
