Bondy Valdovinos Kaye, Jing Zeng, Patrik Wikstrom, 2022-06-16 Since its acquisition and rebranding in 2018 TikTok has become one of the fastest growing platforms in the world Moreover it is the first Chinese developed platform to find mainstream international success carving its own niche in the global short video industry In the first comprehensive exploration of TikTok Kaye Zeng and Wikstrom provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth They provide an extensive overview of TikTok's functions and uses the diverse markets in which the platform operates and the issues of governance that have impacted its expansion Once thought to be just for kids the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries TikTok the authors argue represents an evolutionary step in the way culture is produced and consumed on digital platforms This timely book is essential reading for students and scholars in media and communication studies and for anyone who has been captivated by the global growth of TikTok and short video *How to earn money with Tik Tok* Marius Pletl, 2021-11-05 Many people dream of making money with Tik Tok but only a handful of dreamers make it If you're ready to invest in your Tik Tok account for the long term this guide is for you You'll learn all the ways and techniques to make money with Tik Tok I show you strategies that only a few of the influencers use There are numerous opportunities but only a few are willing to walk this rocky path Be one of the few and stand out from the crowd America and the Indo-Pacific Harsh Pant, Kashish Parpiani, 2021-06-28 This book offers an extensive account of Donald Trump's foreign policy record in the Indo Pacific region Set against the backdrop of Trump's policy of sustained US confrontation with China it recounts his administration's efforts to shore up America's position with the Indo Pacific strategy It also reviews Trump's record with allies and partners in the Indo Pacific and the South Asian subregion in context of the great power competition between China and the United States Amidst the ongoing conversations on the declining currency of American internationalism the volume showcases the seeming insularity of the Indo Pacific region from forces that are informing an America in retreat In noting Trump's record to have been a consequential one the authors also offer insights into the

prospects for US policy continuity under Joe Biden This timely book will be of great interest to scholars teachers and students of politics and international relations Asia studies US China studies area studies foreign policy maritime studies and world politics It is a recommended read for all watchers of US foreign policy and the evolving US China rivalry Apps Gerard Goggin,2021-05-20 Since the rise of the smartphone apps have become entrenched in billions of users daily lives Accessible across phones and tablets watches and wearables connected cars sensors and cities they are an inescapable feature of our current culture In this book Gerard Goggin provides a comprehensive and authoritative guide to the development of apps as a digital media technology Covering the technological social cultural and policy dynamics of apps Goggin ultimately considers what a post app world might look like He argues that apps represent a pivotal moment in the development of digital media acting as a hinge between the visions and realities of the mobile cyber and online societies envisaged since the late 1980s and the imaginaries and materialities of the digital societies that emerged from 2010 Apps offer frames construct tools and constitute small worlds for users to reorient themselves in digital media settings This fascinating book will reframe the conversation about the software that underwrites our digital worlds It is essential reading for students and scholars of media and communication as well as for anyone interested in this ubiquitous technology **Multidisciplinary Approaches**

to Ethics in the Digital Era Taskiran, Meliha Nurdan,Pinarbaşı, Fatih,2021-03-18 The digital era has redefined our understanding of ethics as a multi disciplinary phenomenon The newness of the internet means it is still highly unregulated which allows for rampant problems encountered by countless internet users In order to establish a framework to protect digital citizenship an academic understanding of online ethics is required Multidisciplinary Approaches to Ethics in the Digital Era examines the concept of ethics in the digital environment through the framework of digitalization Covering a broad range of topics including ethics in art organizational ethics and civil engineering ethics this book is ideally designed for media professionals sociologists programmers policymakers government officials academicians researchers and students

TikTok Algorithms 2025 Jordan Smith,2022-05-05 TikTok is a highly creative platform and it definitely rewards those who often create and post It s ideal two to three times a day if you really want to gain popularity on TikTok you won t cut it once a week So in just two months I ve gone from zero to 10K followers Sharn Rayment multimedia freelance producer You definitely have to embrace and commit to using TikTok to the fullest extent possible to create a content backlog for the for you page As for younger and older generations TikTok has democratized creativity and social media The app has the highest rate of follower engagement across 100 000 user profiles sampled in an Influencer Marketing Hub online research project If marketers merely consider it as a dancing device and don t change their approach to include TikTok content they ll be really bitter in a couple of years Watching Instagram influencers repurpose Instagram content to TikTok at the start of lockdown shows the polished advertising on this site doesn t wash We always noticed when Instagram stories came up there was a trend for shorter more digestible content Yet TikTok proves that users can return for more when you get the form of content

right According to official figures from TikTok its customers remain faithful and are starting to return to the app In fact 90% of users use the app several times a day Overall TikTok is asking us to reconsider the way our content is strategized I do hope these tips give you some ideas on how to handle TikTok and the way you prepare and create your content in general
