Bears vs. Cardinals Joe Ziemba, 2022-09-01 In their early years the Chicago Bears and the Chicago Cardinals the two oldest teams in the National Football League travelled the country with only rare mention in the newspapers Both teams later saw their official records destroyed by fire Most of what is now known about those initial seasons is based on often inaccurate statements made many years later Reconstructing their missing history this book draws on newly available resources to document the battles and brawls on and off the field the cunning backroom deals the financial woes and the 40 year rivalry that endured while both teams were in Chicago Figures like Al Capone Red Grange Jim Thorpe and Bronko Nagurski make appearances in the lore of two old adversaries whose uneasy alliance helped ensure the survival of the fledgling NFL

Super Bowl Monday Adam Lazarus, 2011-08-16 Super Bowl Monday is a thorough retelling of Super Bowl XXV the epic January 1991 showdown between the New York Giants and the Buffalo Bills Great characters and a gripping finish to the closest episode in Super Bowl history made for a wonderful conclusion to the game's Silver Anniversary But what establishes that day as a special moment in American sports history was the cloud of war hanging over the game and the nation Ten days before the Giants defeated the Bills 20-19 in Tampa Stadium the United States had authorized Operation Desert Storm and begun the Persian Gulf War The book is entitled Super Bowl Monday because the hundreds of thousands of American soldiers who were able to watch the Giants vs the Bills did so on Arabic Standard Time several hours ahead of Eastern Standard Time For those men and women on duty in Saudi Arabia Kuwait and Iraq Super Bowl XXV took place early Monday morning Super Bowl Monday features original research from newspaper and video archives in addition to lengthy interviews with many of the game's stars

Hockey Sucks: Let's Fix It Michael Munro, 2017-10-10 The game of hockey has drastically changed over the past two decades and not for the better Gone are the days of goal scorers stick handlers tough guys and passers When they left so did the excitement and the unexpected Now it is a game played by drones in exactly the same fashion by every team Former hockey reporter Michael Munro examines the impact manufactured hockey players are having on the National Hockey League and its feeder systems In this Western based critique Munro explains how the NHL ended up eliminating goal scorers and entertainers with a series of rule changes and management decisions And it is a discussion of how Canada lost its role as the dominant hockey nation and started developing only supporting players and not lead actors An honest and sometimes disturbing 250 page essay that is a must read for anyone who loves hockey and wants to see it become a global success
