**Foods** Sam Kuma, 2020-04-22 What do you feel like eating after a tiring day at work When you feel low do you crave for something specific Well you might crave a bowl of mac and cheese a slice of piping hot pizza fried chicken or even a casserole Whenever you eat such foods it is almost as if you are giving your body a much needed comforting warm and loving hug Comfort foods often trigger fond memories and feelings that bring about joy and comfort as the name suggests So it is no wonder that we crave such foods especially when we feel low or blue These foods are usually salty or sweet and are seldom sour or bitter Most of the comfort foods are associated with simple and rustic home cooking and childhood memories Comfort foods are not about fancy and elaborate meals but about soulful cooking that stirs some positivity The ketogenic or keto diet is a high fat and low carb diet One of the major principles of this diet is to ensure that about 70 to 75% of your daily calorie

intake comes from healthy dietary fats about 20% from proteins and the rest from carbs If you take a moment and think about all your comfort foods you will realize they are high in sugars and carbs The keto diet is not extremely restrictive but it does place certain limits on carbs and sugar intake After all carbs are the major culprit While on the ketogenic diet you might probably think you cannot eat comfort foods ever again because that s rich in carbs Well this is where you are mistaken The ketogenic diet might sound superficially restrictive but it isn t It is all about creativity and experimentation Every single ingredient that s rich in carbs can be efficiently replaced with other keto friendly ingredients For instance replace regular processed flour with nut or seed flour Since it is a high fat diet naturally fatty foods such as full fat dairy cheese fatty fish and meats nuts and seeds are all a part of it This diet is restrictive only if you think it is restrictive All you need to do is get creative Well this is where this book steps into the picture You no longer have to search for keto friendly alternatives to regular carb and sugar rich foods In this book you will find various recipes to cook your favorite comfort foods From simple and tasty mac and cheese to pizzas casseroles fried chicken and desserts this book includes several recipes you will enjoy Regardless of whether you prefer sweet or savory foods there s something in this book that will satiate your craving for comfort food What s more All the recipes are keto friendly So you don t have to compromise on your comfort foods just because you re following the ketogenic diet Scroll up and Download Now
