

Examples of patchwork pillowcase pairs with pillows inserted.

Patchwork Pillowcase FAQ

What is a patchwork pillowcase?

Simple answer: A patchwork pillowcase is a removable covering for a bed pillow, generally rectangular in shape, made from pieced or appliquéd patchwork.

Also included are cases for long pillows (bolsters) that span the width of the traditional Pennsylvania German bed (see page 10). Seen less frequently are patchwork pillow covers that lay on top of, rather than encasing the pillow. A pair of this type is shown in Chapter 5. While most pillowcases are rectangular, square patchwork cases, possibly made for use on a chair or couch, are known and discussed in Chapter 6.

Who made patchwork pillowcases?

Simple answer: German-speaking immigrants who settled in Southeastern Pennsylvania made patchwork pillowcases.

A majority of the literature indicates that patchwork pillowcases were made by the German-speaking settlers who came to Southeastern Pennsylvania, first arriving in Germantown near Philadelphia in 1683.²⁴ These immigrants included many religious sects — Mennonite, Schwenkfelder, Brethren, Lutheran, and Reformed — who left their European homes for religious and economic reasons. Subsequent movement and immigrations led to the growth of German areas in Montgomery, Bucks, Lehigh,

Berks, Lebanon, Lancaster, and York counties.²⁴⁻²⁶ As a group, these settlers are now referred to as the Pennsylvania Germans or Pennsylvania Dutch. While not quilters on arrival, the German immigrants embraced quilt-making in the nineteenth century, producing many fine quilts, pillowcases, and other small patchwork items, such as pot-holders, puzzle balls, and hanging bags.²⁶ Some of these small treasures are shown in Chapter 6.

The Amish were also part of the immigration wave to southeastern Pennsylvania. They developed a quilting tradition distinct from the other German-speaking immigrants and bed-size patchwork pillowcases do not appear to be part of it. Only one mention of pieced pillowcases made in the Amish style of dark-colored solid fabrics has been found in the literature.²⁷ The Amish did decorate bed linens in the late nineteenth and early twentieth centuries, including white cotton pillowcases with red embroidery.²⁸ Numerous examples of twentieth century cushion covers decorated with needlework (e.g. embroidery, patchwork, cross stitch, and sculptured plushwork) are known, but these fall outside the scope of this book.²⁹

Settlers who immigrated to Southeastern Pennsylvania also included those from the British Isles. The English Quakers, who lived in Philadelphia and Chester County, made magnificent bed quilts³⁰, but no evidence has been found that the Quakers made patchwork pillowcases.

Outside of Pennsylvania, few pillowcases have
