Performance Identity And The Neo Political Subject Routledge Advances In Theatre Performance Studies:

Performance, Identity, and the Neo-Political Subject Fintan Walsh, Matthew Causey, 2013-04-17 This book stages a timely discussion about the centrality of identity politics to theatre and performance studies It acknowledges the important close relationship between the discourses and practices historically while maintaining that theatre and performance can enlighten ways of being with others that are not limited by conventional identitarian languages The essays engage contemporary theatre and performance practices that pose challenging questions about identity as well as subjectivity relationality and the politics of aesthetics responding to neo liberal constructions and exploitations of identity by seeking to discern describe or imagine a new political subject Chapters by leading international scholars look to visual arts practice digital culture music public events experimental theatre and performance to investigate questions about representation metaphysics and politics The collection seeks to foreground shared universalist connections that unite rather than divide visiting metaphysical questions of being and becoming and the possibilities of producing alternate realities and relationalities The book asks what is at stake in thinking about a subject a time a place and a performing arts practice that would come after identity and explores how theatre and performance pose and interrogate these questions

Mainstream AIDS Theatre, the Media, and Gay Civil Rights Jacob Juntunen, 2016-01-29 This book demonstrates the political potential of mainstream theatre in the US at the end of the twentieth century tracing ideological change over time in the reception of US mainstream plays taking HIV AIDS as their topic from 1985 to 2000 This is the first study to combine the topics of the politics of performance LGBT theatre and mainstream theatre's political potential a juxtaposition that shows how radical ideas become mainstream that is how the dominant ideology changes Using materialist semiotics and extensive archival research Juntunen delineates the cultural history of four pivotal productions from that period Larry Kramer's *The Normal Heart* 1985 Tony Kushner's *Angels in America* 1992 Jonathan Larson's *Rent* 1996 and Moises Kaufman's *The Laramie Project* 2000 Examining the connection between AIDS mainstream theatre and the media reveals key systems at work in ideological change over time during a deadly epidemic whose effects changed the nation forever Employing media theory alongside nationalism studies and utilizing dozens of reviews for each case study the volume demonstrates that reviews are valuable evidence of how a production was hailed by society's ideological gatekeepers Mixing this new use of reviews alongside textual analysis and material study such as the theaters locations architectures merchandise program notes and advertising creates an uncommonly rich description of these productions and their ideological effects This book will be of interest to scholars and students of theatre politics media studies queer theory and US history and to those with an interest in gay civil rights one of the most successful social movements of the late twentieth century

Performance, Identity, and the Neo-Political Subject Fintan Walsh, Matthew Causey, 2013-04-17 This book stages a timely discussion about the centrality of identity politics to theatre and performance studies It acknowledges the important close relationship between the discourses and

practices historically while maintaining that theatre and performance can enlighten ways of being with others that are not limited by conventional identitarian languages The essays engage contemporary theatre and performance practices that pose challenging questions about identity as well as subjectivity relationality and the politics of aesthetics responding to neo liberal constructions and exploitations of identity by seeking to discern describe or imagine a new political subject Chapters by leading international scholars look to visual arts practice digital culture music public events experimental theatre and performance to investigate questions about representation metaphysics and politics The collections seeks to foreground shared universalist connections that unite rather than divide visiting metaphysical questions of being and becoming and the possibilities of producing alternate realities and relationalities The book asks what is at stake in thinking about a subject a time a place and a performing arts practice that would come after identity and explores how theatre and performance pose and interrogate these questions

Nationalism and Youth in Theatre and Performance Victoria Pettersen Lantz, Angela Sweigart-Gallagher, 2014-07-11 Nationalism and Youth in Theatre and Performance explores how children and young people fit into national political theatre and moreover how youth enact interrogative patriotic and or antagonistic performances as they develop their own relationship with nationhood Children are often seen as excluded from public discourse or political action However this idea of exclusion is false both because adults place children at the center of political debates with the rhetoric of future generations and because children actively insert themselves into public discourse Whether performing a national anthem for visiting heads of state creating a school play about a country's birth or marching in protest of a change in public policy young people use theatre and performance as a means of publicly staking a claim in national politics directly engaging with ideas of nationalism around the world This collection explores the issues of how children fit into national discourse on international stages The authors focus on national performances by for with youth and examine a wide range of performances from across the globe from parades and protests to devised and traditional theatre Nationalism and Youth in Theatre and Performance rethinks how national performance is defined and offers previously unexplored historical and theoretical discussions of political youth performance

Theatre, Exhibition, and Curation Georgina Guy, 2016-04-20 Examining the artistic intellectual and social life of performance this book interrogates Theatre and Performance Studies through the lens of display and modern visual art Moving beyond the exhibition of immaterial art and its documents as well as re enactment in gallery contexts Guy's book articulates an emerging field of arts practice distinct from but related to increasing curatorial provision for live performance Drawing on a recent proliferation of object centric events of display that interconnect with theatre the book approaches artworks in terms of their curation together and re theorizes the exhibition as a dynamic context in which established traditions of display and performance interact By examining the current traffic of ideas and aesthetics moving between theatricality and curatorial practice the study reveals how the reception of a specific form is often mediated via the ontological expectations of another It asks how contemporary visual arts and exhibition

practices display performance and what it means to generalize the theatrical as the optic or directive of a curatorial concept Proposing a symbiotic relation between theatricality and display Guy presents cases from international arts institutions which are both displayed and performed including the Tate Modern and the Guggenheim and assesses their significance to the enduring relation between theatre and the visual arts The book progresses from the conventional alignment of theatricality and ephemerality within performance research and teases out a new temporality for performance with which contemporary exhibitions implicitly experiment thereby identifying supplementary modes of performance which other discourses exclude This important study joins the fields of Theatre and Performance Studies with exciting new directions in curation aesthetics sociology of the arts visual arts the creative industries the digital humanities cultural heritage and reception and audience theories **Subject Guide to Books in Print** ,2001 **Routledge advances in theatre and performance studies** ,19??
