

Performances of Research

An abstract painting with a textured, expressive style. On the left, a black fence with vertical bars runs from the bottom to the middle. Behind the fence, there are several blue and green shapes that look like stylized trees or bushes. To the right of the fence, three orange, human-like figures are standing in a row, facing right. The background is a mix of light blue, green, and yellow, suggesting a sky or a distant landscape. The overall mood is contemplative and somewhat somber.
