Fuller, 1898 Performing Memory in Art and Popular Culture Liedeke Plate, Anneke Smelik, 2013-04-02 This volume pursues a new line of research in cultural memory studies by understanding memory as a performative act in art and popular culture The authors take their cue from the observation that art and popular culture enact memory and generate processes of memory They do memory and in this doing of memory new questions about the cultural dimensions of memory arise How do art objects and artistic practices perform the past in the present What is their relationship to the archive Does the past speak in the performed past or do we speak to it To what purpose do objects recall And for whom do they recollect Here authors combine a methodological focus on memory as performance with a theoretical focus on art and popular culture as practices of remembrance The essays in the book thus analyze what is at stake in the complex processes of remembering and forgetting of recollecting and disremembering of amnesia and anamnesis that make up cultural memory Relation of Psychology to Music Edward Fry Bartholomew, 1902 **The Principles and Methods of Human Culture a Series of Lectures Addressed to Young Teachers by William Russell, Editor of the American (Boston) Journal of Education, 1826 to 1829 ...** William Russell, 1873 **Health Culture** , 1913 **Performance and Identity in Popular Culture's Re/presentations of Tinku Ritual by Andean People** Rodolfo Meyer, 2008 **Memory** David Kay, 1888 **The School Journal** , 1902 **Metropolitan Pulpit and Homiletic Monthly** , 1916 Back to Back Theatre Helena Grehan, Peter Eckersall, 2013 This book documents and responds to the work of Back to Back Theatre by providing artistic and critical viewpoints on one of the leading theatre companies of our times Back to Back Theatre has transformed contemporary theatre in Australia and internationally with their unique theatricality and imagination Based in Geelong in regional Australia the company is driven by an ensemble of actors perceived to have intellectual disabilities Their work is inspired by a need to communicate the intrinsic experience of being alive Back to Back s theatre is multi layered visual expressive and sensory The brilliance of their multi award winning work is matched by its human scale and its respect for others Hence their awesome confronting theatricality is also prosaic As the company says We re people who do shows *Digging the Africanist Presence in American Performance* Brenda D. Gottschild, 1996-05-28 This ground breaking work brings dance into current discussions of the African presence in American culture Dixon Gottschild argues that the Africanist aesthetic has been invisibilized by the pervasive force of racism This book provides evidence to correct and balance the record investigating the Africanist presence as a conditioning factor in shaping American performance onstage and in everyday life She examines the Africanist presence
