Permanent Faithful Stable:

"Permanent, Faithful, Stable" Jeffrey John, 2000 A powerful argument for the acceptance and blessing of homosexual relationships by the Church Permanent, Faithful, Stable Jeffrey John, 2012-08-01 I am writing this because I believe we have an absolute duty in the Church to offer homosexual couples not only practical support but the same theological understanding of their relationship that we offer to heterosexual couples to help them fulfil the same hope the same ideal of permanent faithful stable love Drawing on many years personal and pastoral experience Jeffrey John explores the meaning and context of the mentions of homosexuality in the Bible and also considers the moral arguments before offering guidance to same sex couples on forming a lasting covenanted monogamous relationship Earlier editions of this book have become essential reading for anyone seeking to understand the theology of same sex relationships in a Christian context It has been cited by the former Archbishop of Canterbury Dr Rowan Williams as one of the most helpful books on the subject This new edition has been updated to take account of the latest thinking on the issue In a brand new Preface and Postscript Jeffrey John speaks forthrightly about the Church of England's failure to move positively in support of same sex marriage

Celebrating Christian Marriage Adrian Thatcher, 2002-04-30 The interest in marriage and the future of marriage is urgent and increasing This collection of expert research analysis and discussion may be the most significant ever assembled on this subject There are contributions from different continents and cultures from Roman Catholic Protestant Anglican and Orthodox traditions from theologians and many other professionals including historians social theorists sex therapists lawyers psychiatrists and demographers all in conversation with the idea of Christian marriage There are introductions to each topical section by Adrian Thatcher Marriage at the Start of the Millennium Beginning Marriage Love and Marriage The Marriage Relationship Children and Marriage Single Sex Marriage Ending Marriage Roman Catholic Perspectives Ending Marriage Anglican Perspectives *Toxic Shame in the Church* Brenda Hopkins, 2025-06-30 Grounded in an autoethnographic approach this book draws from the author's personal experiences as a gay woman and former priest who faced institutional shaming Drawing on practical theologies of shame and the work of Christian anthropology it challenges traditional theological perspectives on sin and human nature proposing a person centred model that emphasizes unconditional love and positive self regard By exposing and addressing the Church's role in constructing shame the book proposes a pathway towards healing and self acceptance for those marginalized by faith based shaming Report of the House of Bishops Working Group on Human Sexuality Church of England, 2014-08-19 In July 2011 the House of Bishops commissioned a review group to draw together and reflect upon explorations on human sexuality conducted since the 1998 Lambeth Conference and to offer proposals on how the continuing discussion within the Church of England about these matters might best be shaped This is the group's report **Tory Pride and Prejudice** Michael McManus, 2011-10-06 TORY PRIDE AND PREJUDICE is an authoritative but highly accessible account of the Conservative Party's social attitudes from the

1950s to the present day with a particular focus on homosexual law reform and equal rights for LGBT citizens Presented in the context of contemporary social and political developments it draws upon extensive primary research and exclusive interviews to chart the party's progress from a stubborn unwillingness to decriminalise homosexuality in the 1950s and 1960s via tacit acceptance in the 1970s and Section 28 in the 1980s and 1990s to the current Conservative Liberal Democrat Coalition Government which has produced the first comprehensive statement on equal rights in British history
