SUBMISSION

READ:
1 Peter 2:13-25

*Submitting yourselves
one to another in the
fear of God.*

Ephesians 5:21

Often, when a wife is influenced by demons, she will reject her husband's authority. The words of the husband are despised and rejected. There is an angry reply to every instruction. There is a rejoinder to every bit of advice. I have watched as certain wives became deceived through familiarity.

The same thing happens in churches. Deceived church members rise against God's servant, calling him a tyrant but they do not know that they are totally deceived. Evil spirits of deception are taking hold of them. Jesus said, "Judge not." While on earth, we will never see

clearly enough to judge correctly. Churches are full of, critical, fault-finding and judgmental people. One of the highest kinds of deception, of demonic infiltration you can have in the church is to fight against the pastor. Show me a church with critical people and I will show you a church filled with demons.

Authorities in a nation must also be honoured and respected. It is in the rebellious underworld of cities that satanic and demonic activities thrive. Prostitution and armed robbery are examples of the activities of those who stand against authority in any nation. People under demonic control cannot be controlled by pastors, husband or any authority figure. "None could bind him, no not with chains"(Mark 5:3). Is that the description of your life? None can lay hands on you? None can be a father to you? None can be a pastor to you? None can be a husband to you? None can bind you, not even with chains!

Personal Devotional Guide 2015:

Coming of Age in Jewish America Patricia Keer Munro, 2016-05-01 The Jewish practice of bar mitzvah dates back to the twelfth century but this ancient cultural ritual has changed radically since then evolving with the times and adapting to local conditions For many Jewish American families a child's bar mitzvah or bat mitzvah is both a major social event and a symbolic means of asserting the family's ongoing connection to the core values of Judaism Coming of Age in Jewish America takes an inside look at bar and bat mitzvahs in the twenty first century examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies from family members to religious educators to rabbis Patricia Keer Munro presents a candid portrait of the conflicts that often emerge and the negotiations that ensue In the course of her study she charts how this ritual is rife with contradictions it is a private family event and a public community activity and for the child it is both an educational process and a high stakes performance Through detailed observations of Conservative Orthodox Reform and independent congregations in the San Francisco Bay Area Munro draws intriguing broad reaching conclusions about both the current state and likely future of American Judaism In the process she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity

Devotional Sovereignty Caleb Simmons, 2020 Devotional Sovereignty Kingship and Religion in India investigates the shifting conceptualization of sovereignty in the South Indian kingdom of Mysore during the reigns of Tipu Sultan r 1782 1799 and Krishnaraja Wodeyar III r 1799 1868 Tipu Sultan was a Muslim king famous for resisting British dominance until his death Krishnaraja III was a Hindu king who succumbed to British political and administrative control Despite their differences the courts of both kings dealt with the changing political landscape by turning to the religious and mythical past to construct a royal identity for their kings Caleb Simmons explores the ways in which these two kings and their courts modified and adapted pre modern Indian notions of sovereignty and kingship in reaction to British intervention The religious past provided an idiom through which the Mysore courts could articulate their rulers claims to kingship in the region attributing their rule to divine election and employing religious vocabulary in a variety of courtly genres and media Through critical inquiry into the transitional early colonial period this study sheds new light on pre modern and modern India with implications for our understanding of contemporary politics It offers a revisionist history of the accepted narrative in which Tipu Sultan is viewed as a radical Muslim reformer and Krishnaraja III as a powerless British puppet Simmons paints a picture of both rulers in which they work within and from the same understanding of kingship utilizing devotion to Hindu gods goddesses and gurus to perform the duties of the king

Philosophy of Devotion Paul Katsafanas, 2022 Paul Katsafanas examines the role of devotion as an ethical stance in human life Devotion typically involves treating certain values goals or relationships as inviolable incontestable and

invulnerable to argument Katsafanas argues that devotion can be reasonable and suggests how it can avoid deforming into fanaticism

Living Pictures Noa Turel, 2020-09-25 A significant new interpretation of the emergence of Western pictorial realism When Jan van Eyck c 1390 1441 completed the revolutionary Ghent Altarpiece in 1432 it was unprecedented in European visual culture His novel visual strategies including lifelike detail not only helped make painting the defining medium of Western art they also ushered in new ways of seeing the world This highly original book explores Van Eyck s pivotal work as well as panels by Rogier van der Weyden and their followers to understand how viewers came to appreciate a world depicted in two dimensions Through careful examination of primary documents Noa Turel reveals that paintings were consistently described as *au vif* made not from life but into life Animation not representation drove Van Eyck and his contemporaries Turel s interpretation reverses the commonly held belief that these artists were inspired by the era s burgeoning empiricism proposing instead that their living pictures helped create the conditions for empiricism Illustrated with exquisite fifteenth century paintings this volume asserts these works key role in shaping rather than simply mirroring the early modern world

Burchett, 2019-05-28 In this book Patton E Burchett offers a path breaking genealogical study of devotional bhakti Hinduism that traces its understudied historical relationships with tantra yoga and Sufism Beginning in India s early medieval Tantric Age and reaching to the present day Burchett focuses his analysis on the crucial shifts of the early modern period when the rise of bhakti communities in North India transformed the religious landscape in ways that would profoundly affect the shape of modern day Hinduism *A Genealogy of Devotion* illuminates the complex historical factors at play in the growth of bhakti in Sultanate and Mughal India through its pivotal interactions with Indic and Persianate traditions of asceticism monasticism politics and literature Shedding new light on the importance of Persian culture and popular Sufism in the history of devotional Hinduism Burchett s work explores the cultural encounters that reshaped early modern North Indian communities Focusing on the R m nand bhakti community and the tantric N th yog s Burchett describes the emergence of a new and Sufi inflected devotional sensibility an ethical emotional and aesthetic disposition that was often critical of tantric and yogic religiosity Early modern North Indian devotional critiques of tantric religiosity he shows prefigured colonial era Orientalist depictions of bhakti as religion and tantra as magic Providing a broad historical view of bhakti tantra and yoga while simultaneously challenging dominant scholarly conceptions of them *A Genealogy of Devotion* offers a bold new narrative of the history of religion in India

Religious Devotion and the Poetics of Reform George Pati, 2019-02-18 The poetry emanating from the bhakti tradition of devotional love in India has

been both a religious expression and a form of resistance to hierarchies of caste gender and colonialism Some scholars have read this art form through the lens of resistance and reform but others have responded that imposing an interpretive framework on these poems fails to appreciate their authentic expressions of devotion This book argues that these declarations of love and piety can simultaneously represent efforts towards emancipation at the spiritual political and social level This book through a close study of Na ini 1911 a Malayalam lyric poem as well as other poems authored by Mah kavi Kum ran n 1873 1924 a low caste Kerala poet demonstrates how n employed a theme of love among humans during the modern period in Kerala that was grounded in the native South Indian bhakti understanding of love of the deity n believed that personal religious freedom comes from devotion to the deity and that love for humans must emanate from love of the deity In showing how devotional religious expression also served as a resistance movement this study provides new perspective on an understudied area of the colonial period Bringing to light an under explored medium in both religious and artistic terms this book will be of great interest to scholars of religious studies Hindu studies and religion and literature as well as academics with an interest in Indian culture Eastern Mennonite University Donald B. Kraybill, 2017-09-12 In this unique educational history Donald B Kraybill traces the sociocultural transformation of Eastern Mennonite University from a fledgling separatist school founded by white rural Germanic Mennonites into a world engaged institution populated by many faith traditions cultures and nationalities The founding of Eastern Mennonite School later Eastern Mennonite University in 1917 came at a pivotal time for the Mennonite community Industrialization and scientific discovery were rapidly changing the world and the increasing availability of secular education offered tempting alternatives that threatened the Mennonite way of life In response the Eastern Mennonites founded a school that would uphold the principles of plainness and simplicity where youth could learn the Bible and develop skills that would help advance the church In the latter half of the twentieth century the university s identity evolved from separatism to social engagement in the face of churning moral tides and accelerating technology EMU now defines its mission in terms of service peacebuilding and community Comprehensive and well told by a leading scholar of Anabaptist and Pietist studies this social history of Eastern Mennonite University reveals how the school has mediated modernity while remaining consistently Mennonite A must have for anyone affiliated with EMU it will appeal especially to sociologists and historians of Anabaptist and Pietist studies and higher education **Positive Education: Theory, Practice, and Evidence** Wenjie Duan, Samuel Mun-yin Ho, 2020-04-17 Animation between Magic, Miracles and Mechanics Hans Henrik Lohfert Jørgensen, Laura Katrine Skinnebach, Henning Laugerud, 2023-08-18 When it comes to images we are all animists Deep down we all know that images can at least potentially be alive or come to life Nowadays we may tend to rationalize our ingrained animism and explain it away as a mere projection only happening in the space between image and viewer In the Middle Ages however imagery made enthusiastic use of magical miraculous and mechanical means of animation empowered and ensouled by both natural and supernatural principles of life This animist

book investigates magic miracles and mechanics as motors of animation and seeks to understand the living image in solidarity with medieval experience rather than dismissive alienation of it Effigies did bleed weep or lactate either through divine intervention or through hydraulic machinery Statues did move or speak either as demonic oracles or as talking heads with implanted speaking tubes Marvels made by magic or by miracles were real as real as the wonders of physical mechanics moving bodily matter We just need to look and listen more carefully to comprehend these fluid realities even when especially when they challenge our received worldview Animation was by no means uncontested or uncontradicted but even its stiffest critics knew that gods and demons could intervene in inanimate matter to set it in motion to speak in tongues and exude the liquids of life
