Persistence All Ways Butch And Femme:

Persistence Ivan Coyote, Zena Sharman, 2011-05-03 Lambda Literary Award finalist American Library Association Stonewall Honor Book In the summer of 2009 butch writer and storyteller Ivan Coyote and gender researcher and femme dynamo Zena Sharman wrote down a wish list of their favourite queer authors they wanted to continue and expand the butch femme conversation The result is Persistence All Ways Butch and Femme The stories in these pages resist simple definitions The people in these stories defy reductive stereotypes and inflexible categories The pages in this book describe the lives of an incredible diversity of people whose hearts also pounded for some reason the first time they read or heard the words butch or femme Contributors such as Jewelle Gomez The Gilda Stories Thea Hillman Intersex S Bear Bergman Butch is a Noun Chandra Mayor All the Pretty Girls Amber Dawn Sub Rosa Anna Camilleri Brazen Femme Debra Anderson Code White Anne Fleming Anomaly Michael V Smith Cumberland and Zoe Whittall Bottle Rocket Hearts explore the parameters history and power of a multitude of butch and femme realities It s a raucous insightful sexy and sometimes dangerous look at what the words butch and femme can mean in today s ever shifting gender landscape with one eye on the past and the other on what is to come Includes a foreword by Joan Nestle renowned femme author and editor of The Persistent Desire A Femme Butch Reader a landmark anthology originally published in 1992 Ivan E Coyote is the author of seven books including the novel Bow Grip an American Library Association Stonewall Honor Book and a long time muser on the trappings of the two party gender system Zena Sharman is the assistant director of Canada s national Institute of Gender and Health

Queering Desire

Róisín Ryan-Flood, Amy Tooth Murphy, 2024-04-05 Queering Desire explores with unprecedented interdisciplinary scope contemporary configurations of lesbian bi queer women s and non binary people s experiences of identity and desire Taking an intersectional feminist and trans inclusive approach and incorporating new and established identities such as non binary masculine of centre MOC butch and femme this collection examines how the changing landscape for gender and sexual identities impacts on queer culture in productive and transformative ways Within queer studies explorations of desire longing and eroticism have often neglected AFAB transfeminine and non binary people s experiences Through 25 newly commissioned chapters a diverse range of authors from early career researchers to established scholars stage conversations at the cutting edge of sexuality studies Queering Desire advances our understanding of contemporary lesbian and queer desire from an inclusive perspective that is supportive of trans and non binary identities This innovative interdisciplinary collection is an excellent resource for scholars undergraduate and postgraduate students interested in gender sexuality and identity across a range of fields such as queer studies feminist theory anthropology media studies sociology psychology history and social theory In foregrounding female and non binary experiences this book constitutes a timely intervention

Queering Femininity Hannah McCann, 2017-12-04 Queering Femininity focuses on femininity as a style of gender presentation and asks how and whether it can be refigured as a creative and queer style of the body Drawing on a range of

feminist texts and interviews with self identifying queer femmes from the LGBTQ community Hannah McCann argues that the tendency to evaluate femininity as only either oppressive or empowering limits our understanding of its possibilities She considers the dynamic aspects of feminine embodiment that cannot simply be understood in terms of gender normativity and negotiates a path between understanding both the attachments people hold to particular gender identities and styles and recognising the punitive realities of dominant gender norms and expectations Topics covered range from second wave feminist critiques of beauty culture to the importance of hair in queer femme presentation This book offers students and researchers of Gender Queer and Sexuality Studies a fresh new take on the often troubled relationship between feminism and femininity a critical but generous reading that highlights the potential for an affirmative orientation that is not confined by the demands of identity politics

Female Masculinities and the Gender Wars Finn Mackay, 2021-09-23 Thoughtful and often moving Gaby Hinsliff The Guardian *Female Masculinities and the Gender Wars* provides important theoretical background and context to the gender wars or TERF wars the fracture at the forefront of the LGBTQ international conversation Using queer and female masculinities as a lens Finn Mackay investigates the current generational shift that is refusing the previous assumed fixity of sex gender and sexual identity Transgender and trans rights movements are currently experiencing political backlash from within certain lesbian and lesbian feminist groups resulting in a situation in which these two minority communities are frequently pitted against one another or perceived as diametrically opposed Uniquely Finn Mackay approaches this debate through the context of female masculinity butch and transmasculine lesbian masculinities There has been increasing interest in the study of masculinity influenced by a popular discourse around so called toxic masculinity the rise of men s rights activism and theory and critical work on Trump s America and the MeToo movement An increasingly important topic in political science and sociological academia this book aims to break new ground in the discussion of the politics of gender and identity

Unsuitable Eleanor Medhurst, 2024 From Sappho and Suffragettes to t-shirts and TikTok a fascinating journey through the culture politics and social history of lesbian clothing

Feminizing Theory Rhea Ashley Hoskin, 2021-09-09 The term femme originates from 1940s Western working class lesbian bar culture wherein femme referred to a feminine lesbian who was typically in a relationship with a butch lesbian Expanding from this original meaning femme has since emerged as a form of femininity reclaimed by queer and culturally marginalized folks Importantly femme has also evolved into a theoretical framework Femme theory argues that femme constitutes a missing piece in queer and feminist discourses of femininity Attending to this gap femme theory centres queer femininities as a means of pushing against the deeply embedded masculinist orientation of queer and gender theory Thus femme theory offers tools to shift the way researchers and readers understand femininity as well as systems of gender and power more broadly This book is an introduction to femme theory showcasing how femme can be used as a theoretical framework across a variety of contexts and disciplines such as Film from countries including Canada China Guyana and the USA Femme theory asks

readers to reconsider how femininity is conceptualized revealing some of the many taken for granted assumptions that are embedded within cultural discourses of gender sexuality and power The chapters in this book were originally published as a special issue of the Journal of Lesbian Studies **New Books on Women, Gender and Feminism** ,2014 **New Books on Women and Feminism** ,2014 *Butch and Femme on and Off the Takarazuka Stage* Jennifer Robertson,1989
