COVER LETTER

Dear Hiring Manager,

I am applying for the position of Drug Research Specialist (Entry Level) that I came across at PANDA Corp. I believe that my academic experience matches your requirements.

During my studies, I have gained experience in the field of medicine and pharmaceuticals. Moreover, during my master's program, I've completed my diploma in Pharmaceutical Research, which helped me in better understanding the processes and best practices in drug development.

Additionally, under the ImunoHelp program, I have undergone various professional and self-development training. Each training permanently added to my skill set.

Having spent the last seven years of my life outside the United States, my home country has made me multicultural. My vibrant experience traveling and studying at different institutions, in UAE, USA, Portugal, and France have undoubtedly contributed to my open-mindedness, creativity, and adaptability, as well as working in a diverse and multilingual team.

I'm excited to have the opportunity to discuss how my skills can help your company grow. I'm available for an interview at your convenience.

Thank you,
Anna Kendrick
