largely to his management style which allows him to treat his employees like well humans while holding them accountable But he was far from a natural when it was time to take charge Gilman shares the lessons he s learned through trial and error during his two decades as a manager in one of the craziest businesses on the planet Writing in a warm but no nonsense voice he offers straight up advice on the ins and outs of hiring firing motivating and dealing with cranky superstars Gilman argues that your employees should always come first and that managing down as opposed to managing up will ultimately lead to a successful career as a boss Cry of Sorrow Holly Taylor,2008-07-01 The Coranians have won the war and Kymru is defeated For Havgan however the victory is not complete Cadair Idris the hall of the High Kings remains closed to him To gain entrance he must locate the Four Treasures the Stone the Spear the Cauldron and the Sword and bring them to the Guardian of the Doors Only then can he proclaim himself High King of Kymru But the Treasures were hidden long ago In order to save Kymru Gwydion the Dreamer must locate a long forgotten song and the clues it contains before Havgan does Following the dictates of the song he persuades Rhiannon her daughter Gwenhwyvar and his nephew Arthur to set out with him on the dangerous quest Dogged by Havgan s soldiers they must hurry to find the artifacts Soon distrust and fear complicate their already difficult journey and one of them must risk life and limb on the next move in their deadly game
