Extending ecocriticism Peter Barry, William Welstead, 2017-10-30 This volume of essays explores the scope for a further extension of ecocriticism across the environmental humanities Contributors who include both established academics and early career researchers in the humanities were given free rein to interpret the brief The collection is unusual in that it considers collaboration between individuals both in the same discipline and across creative disciplines Subjects include familiar environments close to home and those such as Iceland and Antarctica where narratives of climate geology and

ecology provide a stark backdrop to creative output A further innovation is the inclusion of essays on public art natural heritage interpretation and the visualisation and aesthetic impact of wind farms The book will be of interest to writers artists students and researchers in the environmental humanities and those with a general interest in the cultural response to the environment U.S. News and World Report ,2007 *Vampire State* Ian Williams,2024-09-05 This is the terrifying story of China s vampire economy State capitalism Socialism with Chinese characteristics A socialist market economy There have been numerous descriptions of the Chinese economy However none seems to capture the predatory at times surreal nature of the economy of the world s most populous nation nor the often bruising and mind bending experience of doing business with the Middle Kingdom Rules and agreements mean little Markets are distorted statistics fabricated foreign industrial secrets and technology systematically stolen Companies and entrepreneurs at home and abroad are bullied often with the collusion of the victims themselves The Party is in every boardroom and lab with businesses thriving or dying at its will All this is part of realising President Xi Jinping s ambition of China becoming the world s pre eminent economic technological and military power One of the Financial Times Best New Books on Economics in 2024 **The Web Designer's Idea Book Volume 2** Patrick McNeil,2010-09-19 Web Design Inspiration at a Glance Volume 2 of The Web Designer s Idea Book includes more than 650 new websites arranged thematically so you can easily find inspiration for your work Author Patrick McNeil creator of the popular web design blog designmeltdown com and author of the original bestselling Web Designer s Idea Book has cataloged thousands of sites and showcases the latest and best examples in this book The web is the most rapidly changing design medium and this book offers an organized overview of what s happening right now Sites are categorized by type design element styles and themes structural styles and structural elements This new volume also includes a helpful chapter explaining basic design principles and how they can be applied online Whether you re brainstorming with a coworker or explaining your ideas to a client this book provides a powerful communication tool you can use to jumpstart your next project
