Max Dutch Medford,2023-01-16 Max By Dutch Medford The idea for this book came in the form of a dream that spurred the author into writing Max a spellbinding tale of a man finding a 7 tall black metal statue and a small black box made of the same unique material in a debris mound in a strangely formed gulch in Colorado Later he discovers that the little black box was the power source that brought the statue to life This is the story of David and Max s fearful first encounter and their eventual bond of friendship that leads the two to journey through the dark side of our Government s power and determination to capture the alien and David with the goal to discover and take position of the two alien crafts hidden somewhere in a chamber in the Colorado mountains This is book one of two books planned in this series Warning once you start reading this book you will not want to put it down
