This review of the popular game *Shinobi* and previous feedback on the feature, promises and highlights of the app. Players have praised the game for its fun and rewarding gameplay, but have experienced issues with the need to sign up for something, being unable to join friends in multiplayer games. Download links and links to screenshots. Players have also suggested adding features such as a character gallery, a new boss and game mode, faster movement, and a way to attract villagers. Additionally, they have asked for the ability to join more Free-Style Maps while playing. Lastly, users are frustrated that the game does not work properly on Wii U and cannot access their old accounts. Despite its flaws, the game has been praised for its quality as a portable experience for many.
