Kaye, Jing Zeng, Patrik Wikstrom, 2022-06-16 Since its acquisition and rebranding in 2018 TikTok has become one of the fastest growing platforms in the world. Moreover, it's the first Chinese developed platform to find mainstream international success, carving its own niche in the global short video industry. In the first comprehensive exploration of TikTok, Kaye Zeng and Wikström provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth. They provide an extensive overview of TikTok's functions and uses, the diverse markets in which the platform operates, and the issues of governance that have impacted its expansion. Once thought to be just for kids, the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries. TikTok, the authors argue, represents an evolutionary step in the way culture is produced and consumed on digital platforms. This timely book is essential reading for students and scholars in media and communication studies and for anyone who has been captivated by the global growth of TikTok and short video. *Culturally Responsive Restorative Leadership in Education* Hilary A. Lustick, 2025-04-07 Culturally responsive restorative leadership centers restorative justice as a process for school transformation. This book draws upon nearly a decade of combined fieldwork in public secondary schools across the country, helping the reader unpack challenges that leaders face as they implement restorative practices in their schools. Chapters explore the most common pressures facing leaders within the school community and beyond, and how leaders can use these challenges as opportunities to reinforce their commitment to and purpose for restorative practices. This book helps principals earn buy-in from their school community, implement sustainable restorative systems, increase equity, and promote school cultural transformation. Chapters also include prompts for reflection to help the reader brainstorm how to approach these challenges in their own contexts. This is a timely and important book for aspiring and practicing educational leaders. Facebook vs TikTok Isaac Berners-Lee, AI, 2025-02-12 Facebook vs TikTok explains the fierce competition between two social media giants and its impact on global communication, cultural trends, and business. The book explores the distinct strategies of these platforms concerning content creation, user engagement, and data utilization. One intriguing insight is how TikTok's emphasis on short-form video content has reshaped digital marketing strategies, forcing even established platforms like Facebook to adapt. It also highlights the influence of both platforms on cultural trends and social movements. The book examines the evolution of social media business models and advertising ecosystems, which are vital for anyone involved in digital marketing. It presents a comparative perspective, emphasizing the contrasting approaches of Facebook and TikTok. Beginning with the origins of both platforms, the book progresses to analyze user engagement, cultural impact, and advertising strategies. The analysis is supported by financial reports, market research, and user behavior studies, offering readers practical guidance for navigating the evolving digital landscape. *A Return to Normalcy?* Larry J. Sabato, Kyle Kondik, J. Miles Coleman, 2021-03-17 Up close, Inauguration Day 2021 looked like any other: the chief justice of the US Supreme Court administering the oath of office to the new president on the steps of the U.S.

Capitol But pull the lens back and this was anything but a typical election and transition of power In A Return to Normalcy Larry Sabato Kyle Kondik and J Miles Coleman bring together respected journalists analysts and scholars to examine every facet of the stunning 2020 election and its aftermath and how these events will impact American politics moving forward In frank accessible prose each author offers insight that goes beyond the headlines and dives into the underlying forces and shifts that drove the election from its earliest developments to its chaotic conclusion A Return to Normalcy is an indispensable read for political junkies and all students of American politics *Social Media Marketing Workbook 2022*

Jordan Smith, 2022-07-01 Social media has become the fastest moving industry in the world Businesses can grow faster find new customers quicker grow their wealth and knowledge by reaching out to people from all over the world This is something that was not possible several decades ago when the only form of marketing accessible to most businesses was print radio and television advertising Your reach was restricted based on your budget and you had no control over how many times your target audience would listen or see the content you are putting out there Well not anymore One of social media's most powerful features is the way it can connect people from all over the world in a matter of seconds It doesn't matter where you are located as long as you have a working internet connection and some device to view content on you're connected For businesses this has been an incredible advantage Imagine the business potential when you can now reach millions of customers worldwide Social media has changed the world of marketing forever For example your business can go live in a matter of seconds to people across the world Your product launch when it is done as live broadcast it is instantly shown to customers from every country imaginable You get to share the amazing things that happen in your company with your loyal customers and build relationships with them in a way that you never could before social media came along This platform has forced businesses to become more creative innovative and more attentive to what the customers want in order to keep the content fresh relevant and appealing to the target audience Social media has also become a hotbed of research and this is where your business begins to transform your marketing strategies The next chapters will be your guide to marketing your business on this social digital space like a winner **Innovative Trends Shaping Food Marketing and Consumption**
