Concert Tickets Black Friday Update:

the "_____ " disciple Johnny Titus Cerilli,2020-11-05 There are many books and teachings about what a disciple is and how to become a disciple etc There are many outlines guides steps classes courses and programs in churches to help in that process JC have been through many of them and all of them felt like work or performance Of course if you throw in the Holy Spirit roles it seems like all will be well But honestly are all these things really working Are our churches now filled with mighty men of GOD filled with the Spirit of God disciple making sons of GOD On August 12 2012 after sharing at a men s breakfast at his church about being Jesus s disciple he felt confused and disappointed Since his main study and passion was living as a doulos slave of God how does this all tie in together Then by the Holy Spirit he saw it to be the Lord s disciple you first must become His willing obedient slave And that s how he came up with the title of this book By filling in the blank with the missing ingredient Slave bondservant one who was in a permanent relation of servitude to Him GOD whose will was consumed in the Will and Glory of GOD the Spirit had shown him the difference between the power of the early true disciples of Jesus Christ and the performance based lives of the 21st century so called self proclaimed disciples of Jesus Christ May the holy Words of GOD feed your hungry souls with truth and power as you daily surrender to the leading and guidance of the Holy Spirit

Consumed Aja Barber,2021-10-05 A call to action for consumers everywhere Consumed asks us to look at how and why we buy what we buy how it s created who it benefits and how we can solve the problems created by a wasteful system We live in a world of stuff We dispose of most of it in as little as six months after we receive it The byproducts of our quest to consume are creating an environmental crisis Aja Barber wants to change this and you can too In Consumed Barber calls for change within an industry that regularly overreaches with abandon creating real imbalances in the environment and the lives of those who do the work often in unsafe conditions for very low pay and the billionaires who receive the most profit A story told in two parts Barber exposes the endemic injustices in our consumer industries and the uncomfortable history of the textile industry one which brokered slavery racism and today s wealth inequality Once the layers are peeled back Barber invites you to participate in unlearning to understand the truth behind why we consume in the way that we do to confront the uncomfortable feeling that we are never quite enough and why we fill that void with consumption rather than compassion Barber challenges us to challenge the system and our role in it The less you buy into the consumer culture the more power you have Consumed will teach you how to be a citizen and not a consumer

Forever 1980s Teenager: Family, Friends, Music and Memories Paul Tannahill,2025-06-30 To be a teenager in the 1980s What a great time it was The 80s Metal bands the shopping malls the arcades video stores and even the big hair The 1980s were big over the top and glorious And then one day we realized that it was all gone As a teenager I gave little thought as to what the future could be like I had no reason to believe that many of the places and pastimes of my youth would become almost obsolete In my young mind life as an adult would continue on with little change to the places and life that I so enjoyed But I was wrong Progress moving forward

advancing whatever one wishes to call it the 1980s did not just disappear as a group of numbers The places and activities which they encompassed also began to fall into the abyss of time But time brings other changes to our lives as well Such as the loss of loved ones As we get older we learn what time is capable of taking from us The places and people of our youth who were once filled with love and life succumb to the grip of time But what it cannot take away from us is the incredible memories friendships and family love that become engraved in our minds and hearts with a crystal purity that time will never be able to rob from us This is my story of how time moves forward leaving only memories in its wake But this is also my story of what it was like to be a teenager in the 1980s Stories of activities and culture that many youth today may find difficult to believe really happened What was it like to be a mall rat What was it like to see video stores on every corner What was it like to go out and purchase a physical vinyl record instead of downloading one Come back in time with me and reminisce about the life of a teenager in the 1980s and how the future decades came to change so much of what was once an easier time
