New Ways of Seeing Grant Scott,2020-08-12 Those born since the digital revolution seem to have the hardest time re imagining the role of photography in the world today Thinking of photography as a visual language is the approach this book adopts to addresses this challenge Considering photography in this way develops the metaphor of learning a language when attempting to explain what photography can be and what it can give a student in transferable creative and life skills This begins with challenging the pre conception that successful photography is defined by the successful single image or the good photograph The book emphasises the central role of narrative and visual storytelling through a technique of photosketching to develop the building blocks of visual creativity and ultimately to craft successful bodies of photographic work New Ways of Seeing explains how to both learn and teach photography as a visual language appropriate for both professionals and students working today

The Benefits of the New Economy Guy Isaac,Joseph Levy,Alexander Ognits,2012-01-01 Why does 1% of the world population own 40% of the wealth Why are education systems throughout the world producing unhappy poorly educated children Why is there hunger Why are food prices rising when there is more than enough food for everyone Why are there still countries where human dignity and social justice are nonexistent And when and how will these wrongs be made right In 2011 these questions touched the hearts of hundreds of millions the world over The cry for social justice has become a demand around which all can unite We all long for a society where we can feel safe trust our neighbors and guarantee the future of our children In such a society all will care for all and mutual guarantee where all are guarantors of each other s well being will thrive Despite all the challenges we believe that change is possible and that we can find a way to implement it Therefore the book you are holding in your hands is a positive optimistic one We now have a unique opportunity to achieve global transformation in a peaceful pleasant manner and A Guide to the New World why mutual guarantee is the key to our recovery from the global crisis tries to help us pave the way toward that goal The book is divided into two parts plus indices Part One contains the concept of mutual guarantee Part Two details the building of the new mutual guarantee society and recaps the principles presented in Part One The indices contain previous publications of the ARI Institute detailing its social educational and economic ideologies

Sustainable Marketing S. M. Riad Shams,David M Brown,Kimberley Hardcastle,2025-03-25 This core textbook empowers and inspires students with sustainable marketing strategies to pursue the triple bottom line People Planet and Profit The purpose is to underpin a brand s commercial competitive advantage through its societal and environmental impact It presents complex cross disciplinary and cross functional theoretical and practical discussions in a simplified manner to specify how the learning outcomes from different chapters can address the grand challenges associated with climate change economic
