The Wonderful Wizard of Oz

by L. Frank Baum

"There has been a terrible storm," said the old woman who lived in the little white house on the hill. "There is no more of the little girl who lived in the house. She has been taken away by a wicked witch."

The old woman was very sad. She had been taking care of the little girl for many years. She had loved her very much. Now she was gone. The old woman was very lonely. She had no one to talk to. She had no one to play with. She had no one to love. She was very sad.
