COMPREHENSION**

**Resume
Read the article**

A **resume** that is **appealing** to the eye is important to landing an interview and then a job. To write a neat, well-written resume decide on the content to include, write your resume with a professional **tone** that **highlights** your experience, and add some creative **flair** to help it stand out. Resumes usually list your job titles followed by explanations of your **tasks**. You can use short paragraphs or bullet points to explain experience, but you should keep the method you use consistent **throughout**. If you explain your **duties** for one job in paragraph form, all your job duties should be listed that way. Certain parts of a resume will be in **bold** or *italics* to draw attention to a job title, school, or work place. Make sure any choices you make about highlighting words are consistent. For example, say you choose to list one of your jobs like this: **Server**, *Emma's Grill*. For the **remainder** of your resume, you should have your job titles in **bold** and the name of your workplaces in *italics*. Font size and spacing should also be unified throughout. For example, you can always use size 12 font to list a job title, and size 10 for your place of work and job descriptions.
