Reddit Pro Last 90 Days:

Lawyer's Desk Book, 2nd Edition Shilling, 2018-09-18 Lawyer's Desk Book is an extraordinary guide that you can't afford to be without. Used by over 150,000 attorneys and legal professionals, this must-have reference supplies you with instant authoritative legal answers without exorbitant research fees. Packed with current critical information, Lawyer's Desk Book includes practical guidance on virtually any legal matter you might encounter: real estate transactions, trusts, divorce, law, securities, tax planning, credit and collections, employer-employee relations, personal injury, and more. Over 70 key legal areas in all. Quick answers to your legal questions without having to search stacks of material or wade through pages of verbiage. Key citations of crucial court cases, rulings, references, code sections, and more. More than 1500 pages of concise, practical, insightful information. No fluff, no filler. Just the facts you need to know. The Lawyer's Desk Book, Second Edition, incorporates recent court decisions, legislation, and administrative rulings. Federal statutes and revised sentencing guides covered in this edition reflect a growing interest in preventing terrorism, punishing terror-related crimes, and promoting greater uniformity of sentencing. There is also new material on intellectual property law, on legislation stemming from corporate scandals such as the Sarbanes-Oxley Act, and on legislation to cut individual and corporate tax rates such as the Jobs and Growth Tax Relief Reconciliation Act. Chapters are in sections on areas including business planning and litigation, contract and property law, and law office issues. Previous Edition: Lawyer's Desk Book, 2018 Edition. ISBN 9781454885153.

Esports Business Management David P. Hedlund, Seth E. Jenny, Gil Fried, 2025-09-29 An introduction to the field of esports and opportunities in esports management for professionals, athletes, sports organizations, and sports brands. **A History of Competitive Gaming** Lu Zhouxiang, 2022-05-12 Competitive gaming or esports, referring to competitive tournaments of video games among both casual gamers and professional players, began in the early 1970s with small competitions like the one held at Stanford University in October 1972 where some 20 researchers and students attended. By 2022, the estimated revenue of the global esports industry is in excess of 947 million, with over 200 million viewers worldwide. Regardless of views held about competitive gaming, esports have become a modern economic and cultural phenomenon. This book studies the full history of competitive gaming from the 1970s to the 2010s against the background of the arrival of the electronic and computer age. It investigates how competitive gaming has grown into a new form of entertainment, a sport-like competition, a lucrative business, and a unique cultural sensation. It also explores the role of competitive gaming in the development of the video game industry, making a distinctive contribution to our knowledge and understanding of the history of video games. A History of Competitive Gaming will appeal to all those interested in the business and culture of gaming, as well as those studying modern technological culture. **#WWE** Dru Jeffries, 2019-12-01 The millions of fans who watch World Wrestling Entertainment (WWE) programs each year are well aware of their role in building the narrative of the sport. WWE Professional Wrestling in the Digital Age explores the intersections between media technology and fandom in WWE's

contemporary programming and business practices In the Reality Era of WWE 2011 to the present wrestling narratives have increasingly drawn on real life personalities and events that stretch beyond the story world created and maintained by WWE At the same time the internet and fandom have a greater influence on the company than ever before By examining various sites of struggle and negotiation between WWE executives and in ring performers between the product and its fans and between the company and the rest of the wrestling industry the contributors to this volume highlight the role of various media platforms in shaping and disseminating WWE narratives Treating the company and its product not merely as sports entertainment but also as a brand an employer a company a content producer and an object of fandom WWE conceptualizes the evolution of professional wrestling s most successful company in the digital era
