Social Media in Musical Theatre Trevor Boffone, 2023-11-16. This book introduces readers to the widespread phenomenon of how social media platforms such as YouTube, Twitter, and TikTok become an extension of long-standing aspects of musical theatre engagement. Although casual observers may dismiss social media's impact, social media has revolutionized the field of musical theatre since the early days of Web 2.0, with spaces such as AOL LiveJournal and Myspace. Now, as social media continues to grow in relevance, the nuanced ways in which digital platforms influence musical culture remain ripe for study. *Social Media in Musical Theatre* moves beyond viewing social media merely as a passing fad or a space free from critical engagement. Rather, this volume takes a serious look at the critical role social media play in musicals, thus challenging how social media users and musical theatre makers alike approach digital spaces. This book introduces the relationship between musical theatre and social media in the 21st century, as well as methods to study social media's influence on musicals through three in-depth case studies organized around marketing on YouTube, fan engagement on Twitter, and new musical development on TikTok.

Communications in Contemporary China Nicole Talmacs,Altman Yuzhu Peng,2023-09-01 Using the analogy of an orchestra the book looks at the ways in which the Party state conducts communications in China Rather than treating China s communications system as purely one of centralised top down control this book proffers that it is the combination of the government through its state policies the propaganda bureau s campaigns commercial consumer culture digital and traditional media platforms celebrities entertainers and journalists educators community interest groups and family and friends who all contribute to the evolution of how ideas are perpetuated enforced and legitimised in China Covering themes such as censorship surveillance national narratives onscreen and in everyday life political agency creative work news production and gender politics this book gives an insight into the complex web of conditions objectives and challenges that the Chinese leadership and commercial interests face when orchestrating their visions for the nation s future As such this volume will be of great interest to students and scholars of media and communication studies Chinese politics and Chinese Studies

Creating Loyalty in Youth Travel Stephen Lowy,2025-06-03 By attracting young people travel brands and destinations can create a lifetime of value with young people often staying longer spreading their spend across a destination contributing to the local economy and returning again and again Creating Loyalty in Youth Travel explores the varying and unique needs of young tourists from backpackers to youth mobility workers and the challenges brands and destinations face in attracting and retaining them While travel professionals often target certain sectors such as business or luxury travellers this can be a short sighted strategy Youth travellers can be a more sustainable market as they frequently form an emotional tie to a destination or travel brand driving them to return throughout their lives sharing with family and friends and increasing their spend as they age This book looks

at how successful brands and destinations prioritize developing long term relationships with travellers early on so that they can continue to cater to loyal customers throughout their lives with different offerings from within the same brand Some countries and travel brands excel at this building it into the heart of their strategy while others have ignored this key market to their own detriment Through extended interviews from leaders in the sector such as Marriott and Tourism Australia this book helps tourism and hospitality professionals to understand the needs of the youth traveler market and harness the potential of it to build a long term strategy for the tourism industry
