Still Reading Romance Josefina Smith, Kathleen W. Taylor Kollman, 2025-04-01. In a world that commodifies feminism, is adapting romance novels for small and big screen projects, and the Romance Writers Association is evolving to a more inclusive representative group, it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre. It is time to question the cultural capital of traditional archetypes, explore the experience of romance readers, and question how romance and cultural studies researchers create quantitative, qualitative, and mixed methods research. This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction and potentially reflect on changes since Janice Radway's seminal

work The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok No other book in romance or popular culture studies identifies a data set as the connecting element and to do so creates an exciting opportunity to create a more inclusive study of popular romance offer truly interdisciplinary research on the question of how readers read romance and generate diverse areas of future scholarship This edited volume explores multiple issues in romance fiction based on survey data from real romance readers An updated version of Janice Radway s influential survey looking at romance readers in the early 1980s this time scholars explore romance readers habits and attitudes in the twenty first century Each contributor in this volume uses the same survey data to make unique statements about gender intersectionality popular fiction and popular culture By using a common data set but approaching it from different perspectives this unique volume is able to apply multiple methodologies to the same subject

Shakespeare and Adaptation Theory Sujata Iyengar, 2022-12-15 Shakespeare and Adaptation Theory reconsiders after 20 years of intense critical and creative activity the theory and practice of adapting Shakespeare to different genres and media Organized around clusters of key metaphors the book explicates the principal theories informing the field of Shakespearean adaptation and surveys the growing field of case studies by Shakespeare scholars Each chapter also looks anew at a specific Shakespeare play from the perspective of a prevailing set of theories and metaphors Having identified the key critics responsible for developing these metaphors and for framing the discussion in this way Iyengar moves on to analyze afresh the implications of these critical frames for adaptation studies as a whole and for particular Shakespeare plays Focusing each chapter around a different play the book contrasts comic tragic and tragicomic modes in Shakespeare s oeuvre and within the major genres of adaptation e g film stage production novel and digital media Each chapter seasons its theoretical discussions with a lively sprinkling of allusions to Shakespeare ranging from TikTok to tissue boxes from folios and fine arts to fan work To conclude each chapter the author provides a case study of three or four significant and interesting adaptations from different genres or media A glossary of terms compiled by Philip Gilreath and the author completes the book

Global Literary Studies Diana Roig-Sanz, Neus Rotger, 2022-12-05 While the very existence of global literary studies as an institutionalised field is not yet fully established the global turn in various disciplines in the humanities and the social sciences has been gaining traction in recent years This book aims to contribute to the field of global literary studies with a more inclusive and decentralising approach Specifically it responds to a double demand the need for expanding openness to other ways of seeing the global literary space by including multiple literary and cultural traditions and other interdisciplinary perspectives in the discussion and the need for conceptual models and different case studies that will help develop a global approach in four key avenues of research global translation flows and translation policies the post 1989 novel as a global form global literary environments and a global perspective on film and cinema history
