Hearts Between Worlds Hearts Between Worlds, 2025-10-02 *Hearts Between Worlds* Romance and Fantasy in Contemporary Arabic Literature Where passion meets imagination a new kind of storytelling is born *Hearts Between Worlds* explores the rise of *Romantasy* the fusion of romance and fantasy in both global and contemporary Arabic literature From the timeless pull of love stories to the limitless horizons of magical worlds this book reveals how

emotion and imagination together create narratives that captivate readers everywhere It traces the roots of romance as a narrative force examines fantasy as an escape from reality and shows how the union of the two has become one of today's most powerful literary trends Blending literary analysis with cultural insight the book journeys through international bestsellers by authors like Sarah J Maas and Rebecca Yarros while also uncovering resonances in Arabic works by writers such as Ahlam Mosteghanemi and Youssef El Sebai At its heart lies a call to Arab authors and readers alike to embrace this genre to draw on the richness of heritage and myth and to create stories that stand proudly on the global stage while carrying an unmistakable Arab voice *Hearts Between Worlds* is more than literary criticism it is an invitation to dream to feel and to imagine It speaks to anyone who believes that love and fantasy together can transform the act of reading into a journey of discovery wonder and unforgettable emotion

Children's Literature and Culture Rebecca Rowe, 2025-08-08
Children's Literature and Culture An Introduction guides readers in the study of culture in and around children's literature Children's literature has long been used as a mechanism by which a culture passes its values from one generation to the next Because of this culturally didactic purpose children's literature can be viewed as one of the most fruitful areas of study of any given culture At the same time studying the cultures from which works of children's literature emerge and in which they circulate can also help better understand not only the ideas of childhood that underpin individual texts for children but the role they play in the construction and transmission of different cultural ideologies This book teaches readers this double work of using culture to understand children's literature and vice versa This volume traces the scholarly methodologies and histories that have attended the study of each of the 20 chapters given subject from the representation of race in and around children's literature to questions of censorship to how libraries can and do shape children's literature In the process it prepares readers to confidently enter and forward scholarly debates and to teach such debates to their own students
