The Digital NBA Steven Secular, 2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA Steven Secular brings readers inside the league's global operations and traces the history of the NBA's approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty first century As fans around the world stream games and other league content NBA teams incorporate foreign languages and cultures into broadcasts to boost their product's appeal to audiences in Brazil China and beyond Secular's analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old even as its media partners and sponsors erase any notion of sports as a civic good A timely look at a dynamic media landscape *The Digital NBA* shows how the games we love became content first and sport a distant second

Sports Capitalism Frank P. Jozsa, 2017-11-28 The book focuses on how when where and why the US based professional sports leagues extend their brands and penetrate markets in nations across the globe The book examines the strategies progress and expectations of each league despite the cultural economic and political barriers that exist between and within countries and areas It offers a model of the sports business and where appropriate the emergence evolution and growth of prominent women's sports leagues are documented This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume Readers such as college and university sports history management marketing and international business professors students and researchers can use and apply the book as either a teaching supplement reference and or literature source It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism such as sports entrepreneurs and league officials

More than Cricket and Football Joel Nathan Rosen, Maureen M. Smith, 2016-12-02 Contributions by Lisa Doris Alexander Sean Bell Benn L Bongang Joel S Franks Silvana Vilodre Goellner Annette R Hofmann Dong Jinxia Cludia Samuel Kessler Jack Lule Li Luyang Mark Panek Roberta J Park Gamage Harsha Perera Joel Nathan Rosen Viral Shah Maureen M Smith Nancy E Spencer Dominic Standish Tim B Swartz Dan Travis Theresa Walton Fisette and Zhong Yijing Given the presumed dominance of American sport many fans throughout the hemisphere find it difficult to envision the role of sport beyond the confines of their own continent And yet world sport consists of so

much more than the games Americans play and so much more than the stereotype of cricket for the elite and football for the working class As worldwide sport continues to gain in popularity we also see parallels to many aspects visible in North American sport particularly celebrity and all its trappings and pitfalls The success of athletes from other countries in basketball and ice hockey and the proliferation of stars imported and now exported to and from North America provides some better examples of sport s international power It also creates a very new kind of sport celebrity albeit one that often shows a rather limited reach beyond that star s own country or continent Thus rather than focusing on the Western Hemisphere this collection of some of world sport s most heralded celebrities including stars of Motocross surfing distance running and more serves as a sort of passport to many places that make up our global sporting environment Sport Marketing Windy Dees,Patrick Walsh,Chad D. McEvoy,Stephen McKelvey,Bernard James Mullin,Stephen Hardy,William A. Sutton,2022 This book helps students prepare for careers in the fast paced world of sport marketing as well as provides a resource for practitioners looking for the latest information in the field The book offers abundant examples of the latest issues in the competitive marketplace **New York Magazine** ,1995-11-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The NBA's Global Empire** Joshua K. Wright,2025-03-05 During the 1992 Summer Olympics in Barcelona the Dream Team a collective of the National Basketball Association s top talent led by Michael Jordan Magic Johnson Larry Bird and Charles Barkley shook up the world as they amazed spectators and opponents on their way to winning gold Their success introduced the world to the NBA s charismatic superstars and their artistic brand of basketball Over the next two decades youth outside of America dreamed of becoming the next Michael Jordan Kobe Bryant and LeBron James The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies By the 2022-23 NBA season there were 109 international players from 39 countries a Canadian franchise and a league in Africa Today s best players are Africans Canadians and Europeans like Nikola Jokic and Victor Wembanyama This book presents the history of the NBA s ascension to a billion dollar global empire analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium How essential is globalization for the NBA to thrive in the 21st century Do the benefits outweigh the geopolitical controversies associated with being a global brand Is globalization responsible for a decline in American born NBA players and declining domestic popularity These questions and others are answered in this first treatment of the NBA s global reach *The Comprehensive Guide to Careers in Sports* Glenn Wong,2009 As more students enter the growing field of sports management there is a greater need for information informing them about their career choices *Careers in Sports* provides an overview of what students should consider and

expect from the varied career options available to them This book answers the questions students are most likely to have including what courses they should take what areas are available to them what salary can they expect to earn after graduation and how they can get the job of their dreams In the highly competitive field of sports management it is important for individuals to prepare themselves well and to make the right decisions along the way Although there are no guarantees of success this book will increase students likelihood of finding success in the sports industry Encouraging research and realistic expectations this book has been developed by an author with many years of experience as a respected practitioner teacher and internship coordinator *Bringing Sports Culture to the English Classroom* Luke Rodesiler,2022-09-23 Learn how to use literature and informational texts related to sports as an alternative or a supplement to a canon centric English classroom This practical book promotes an instructional approach that honors students knowledge of interests in and experiences with sports culture to advance literacy learning Informed by his own experiences in high school classrooms the author documents the distinct methods employed by four secondary English teachers in rural urban and suburban schools Each narrative features the voices of teachers and students and details a range of activities that readers can adapt for their unique contexts Whether teaching traditional English courses or those focused on the study of sports literature teachers can use this book to tap into students sporting interests and foster critical readings of sports culture as a mirror to our greater society Book Features Adaptable methods for using sports related content to foster the six language arts reading writing speaking listening viewing and visually representing Actionable ideas for going beyond sports fandom and instead reading sports culture through a critical lens Implications for incorporating sports culture into the English curriculum whether teaching traditional courses or a stand alone sports literature class Answers to frequently asked questions that can support teachers as they bring sports culture to the English classroom Sports Marketing Sam Fullerton,2021-10-15 Formerly published by Chicago Business Press now published by Sage Sports Marketing Fourth Edition guides students in gaining a better understanding of how to develop and implement marketing strategies and tactics within the sports marketing industry Author Sam Fullerton provides thorough coverage of this discipline s two broad perspectives the marketing of sports products and creating a sports platform as the foundation for the marketing of nonsports products *Web Channel Development for Dummies* Damon Dean,1997 Explains how to set up web channels that will bring changing web site information to the user rather than the user searching the web Focuses on Netscape Netcaster and Internet Explorer 4 0 *Sports Betting For Dummies* Swain Scheps,2020-06-16 The sports gambling book you can bet on Sports betting combines America s national pastime sports with its national passion gambling In the U S more than a third of the population bets on at least one sporting event every year With the recent lifting of the federal ban on sports gambling states are pushing legislation to take advantage of the new potential source of revenue The best sports betting books are data driven statistically honest and offer ways to take action Sports Betting For Dummies will cover the basics as well as delving into
