*Every Day Is Sunday* Ken Belson, 2025-10-14 From veteran New York Times Business NFL reporter Ken Belson a deeply reported account of how the NFL's Commissioner Roger Goodell and its two most powerful owners Jerry Jones Robert Kraft turned the league into a cultural phenomenon On February 11 2024 NFL Commissioner Roger Goodell the league's two most powerful owners Jerry Jones Robert Kraft looked down at the spectacle before them What they saw was the sport's championship game the Super Bowl now a de facto national holiday being played in a shiny new 2B stadium home to the first franchise based in Las Vegas after the league's embrace of nationwide gambling The moment was over 30 years in the making As one of Goodell's colleagues said Roger doesn't view the other leagues as competition He wants to be mentioned with Disney and the Vatican these massive institutions In *Every Day Is Sunday* Ken Belson traces the evolution of the league from one of the four US professional sports to the superpower it is today Belson illustrates how the league's rise coincided with the arrival of Jones Kraft in the early 90's He provides an inside look on how these two men reshaped the league taking readers into the secretive owner's meeting how they decided Goodell was the right man to place as Commissioner and how the three built wielded and held on to their collective power Perfect for fans of *The Dynasty* and *Big Game* Belson provides a unique peek behind the curtain of how America's favorite sport achieved its status and how these three men let nothing stand in their way

conversations increased productive urgency and smart prioritization rather than reactivity and strategic risk taking paradoxical thinking and situational and anticipatory awareness skills She identifies the toughest skill set as the discipline humility and confidence to unlearn and relearn Brown writes Individuals and organizations are building new muscles Finding our strong ground that athletic stance is the only thing that can provide both unwavering stability in a maelstrom of uncertainty and a platform for the fast explosive change that the world is demanding *Los Angeles Magazine* ,2002-05 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Great Moments in NFL History** Robert
