Netflix Latest Customer Service:

High-Tech, High-Touch Customer Service Micah Solomon, 2012-05-26 Today's customers are a hard bunch to crack. Time-strapped, screen-addicted, value-savvy and socially engaged, their expectations are tougher than ever for a business to keep up with. They are empowered like never before and expect businesses to respect that sense of empowerment, lashing out at those that don't. Take heart: Old-fashioned customer service, fully retooled for today's blistering pace and digitally connected reality, is what you need to build the kind of loyal customer base that allows you to survive and thrive. And *High Tech High Touch Customer Service* spells out surefire strategies for success in a clear, entertaining and practical way. Discover six major customer trends and what they mean for your business. Eight unbreakable rules for social media customer service. How to effectively address online complainers and saboteurs on Yelp, Twitter, TripAdvisor and other forums for user-generated content. The rising power of self-service and how to design it properly. How to build a company culture that breeds stellar customer service. *High Tech High Touch Customer Service* reveals inside secrets of wildly successful customer service initiatives from Internet startups to venerable brands and shows how companies of every stripe can turn casual customers into fervent supporters who will spread the word far and wide online and off. Exploring Management John R. Schermerhorn, 2011-10-11 The primary goal of this edition of *Exploring Management* is to help build core management competencies for today's global and more complex workplace, including issues related to planning, organizing, leading and controlling. POLC with more hands-on type materials such as cases, exercises and application. Schermerhorn uses a conversational and interactive writing style to master concepts in a bite-size and fundamental approach. This text presents managerial concepts and theory in a straight-forward, interesting style with a strong emphasis on application. The discussion of theory is framed in a unique, engaging and concise way. The goal is to promote critical thinking and ability to make sound business decisions using managerial theory. Concepts are explored and reinforced by most hands-on applications, exercises, cases and the integration of technology. The text also focuses on the most important aspects of the POLC model, emphasizing skill building. *Business Model Transformation* Danny Samson, Alon Ellis, Stuart Black, 2022-09-22 A large opportunity exists for Australian organisations to use new and powerful technologies: Artificial Intelligence (AI) and Cloud technologies to transform their businesses to keep pace with or ahead of the leading edge of competitiveness. This book showcases inspirational Australian case studies in order to inspire Australian and non-Australian organisations to undertake the challenge. This book synthesises the key learnings and contrasts those with the conventional wisdom on this topic. The book also defines what AI and Cloud-based business transformations are and what they can do for businesses. Furthermore, it explains why it is imperative that businesses should address the business opportunities of these technological advancements without going into the technical details any more than the literacy that is necessary for business leaders. Finally, it also includes international best practice case studies beyond the usual suspects. This book provides guidance and motivation for
