processed food industry exploits our evolutionary instincts the emotions we associate with food and legal loopholes in their pursuit of profit over public health The processed food industry has managed to avoid being lumped in with Big Tobacco which is why Michael Moss's new book is so important Charles Duhigg author of *The Power of Habit* Everyone knows how hard it can be to maintain a healthy diet But what if some of the decisions we make about what to eat are beyond our control Is it possible that food is addictive like drugs or alcohol And to what extent does the food industry know or care about these vulnerabilities In *Hooked* Pulitzer Prize winning investigative reporter Michael Moss sets out to answer these questions and to find the true peril in our food Moss uses the latest research on addiction to uncover what the scientific and medical communities as well as food manufacturers already know that food in some cases is even more addictive than alcohol cigarettes and drugs Our bodies are hardwired for sweets so food giants have developed fifty six types of sugar to add to their products creating in us the expectation that everything should be cloying we've evolved to prefer fast convenient meals hence our modern day preference for ready to eat foods Moss goes on to show how the processed food industry including major companies like Nestl Mars and Kellogg's has tried not only to evade this troubling discovery about the addictiveness of food but to actually exploit it For instance in response to recent dieting trends food manufacturers have simply turned junk food into junk diets filling grocery stores with diet foods that are hardly distinguishable from the products that got us into trouble in the first place As obesity rates continue to climb manufacturers are now claiming to add ingredients that can effortlessly cure our compulsive eating habits A gripping account of the legal battles insidious marketing campaigns and cutting edge food science that have brought us to our current public health crisis *Hooked* lays out all that the food industry is doing to exploit and deepen our addictions and shows us why what we eat has never mattered more Practical Feelings Marci D. Cottingham, 2022 Tracing emotions across work leisure social media and politics *Practical Feelings* counters old myths and shows how emotions are practical resources for tackling individual and collective challenges We do not usually think of our emotions as practical often they are nuisances to overcome momentary mysteries to solve or fleeting sensations to savor before getting back to the business of living But emotions interlace the practical elements of daily life In *Practical Feelings* Marci D Cottingham develops a theory of emotion as practical resources By integrating the sociology of emotion with practice theory Cottingham covers diverse areas of social life to show the range of an emotion practice approach and trace how emotions are put to use in divergent domains Spanning work leisure digital interactions and the political sphere Cottingham portrays nurses sports fans social media users and political actors in more complex holistic ways *Practical Feelings* provides the conceptual tools needed to examine emotions as effort energy and embodied resources that calibrate us to the social world *Robicelli's: A Love Story, with Cupcakes* Allison Robicelli, Matt Robicelli, 2013-10-17 The ultimate guide to gourmet cupcakes featuring grown up flavors figs whiskey fried chicken and the delicious story of a family saved by a love of sweets No food coloring No fondant No red velvet Upscale bakery Robicelli's has become a buzzed about in demand
