Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

When I discovered that **** Grocery store was in search of a Cashier, I quickly realized that my 5+years of experience and top-notch cashiering skills will be a great fit for this role. With that in mind, I have enclosed my resume for your perusal.

My background includes five years of cashier and inventory management experience at **** market. While I was working there, I had always proven my ability to render excellent customer service and have disposed duties from greeting customers to processing cash/credit transactions to bagging groceries for the customers. I am a self-motivated person and have continually demonstrated accurate numerical skills and courteous nature.

Please consider the following highlights of my qualification –

- While working at *** for three years from *** to *** I was responsible for scanning groceries, balancing the daily register processing cash and credit card transactions, and counting money
- Offering crucial back door services such as assisting in loading and unloading trucks, arranging displays, setting up products, labelling the products, and stocking inventory
- Helped improve the efficiency of the store at my previous workplace wherein, my efficient and accurate cash dealing activity reduced customer wait time by 50%, and hoping to bring that same to your store as well
- Superior team collaborative skills, helping me to coordinate schedules, and manage junior team members efficiently
- Outstanding customer service skills leading to a high level of customer retention and satisfaction
- Completing a wide range of cashier-related services during peak season and preparing to provide a similar impact at the *** store.

I assure you that I will be a responsible and diligent worker, and will provide my top-most service and satisfy the customers at all times. I would be thankful for the opportunity to interview with you and I can be reached at (888-888-888) or at (email id). Thank you for your time, and I look forward to hearing from you!
