Credit Derivatives Gunter Meissner, 2009-02-04 The market for credit derivatives financial instruments designed to transfer credit risk from one party to another has grown exponentially in recent years with volume expected to reach more than 4.8 trillion by 2004. With demand increasing from the private sector for finance professionals trained in the opportunities and dangers inherent in this fast changing market, finance courses are already springing up to meet this need. *Credit Derivatives* explains the field of credit derivatives to business students with a background in finance. Cites real world examples throughout reinforced by end of chapter questions and internet links to pricing models. Provides a concise overview of the field that is ideal for instructors seeking to supplement traditional derivatives course material as well as those looking to offer a stand alone course on credit derivatives.

Consumer Bankruptcy 101 Eduardo V. Rodriguez, 2010-10 There are a lot of self help books on the market that discuss finances and how to take control of them in order to better your life style. This is not another self help book on finances. More often than not the population does not know where to turn to for financial advice when it comes to saving money, buying a home, investing, spending wisely, borrowing money, lending money, retirement plans, budgeting and finally bankruptcy. In this book the author will offer you a unique perspective on finances and bankruptcy. Eduardo V. Rodriguez holds a Bachelor's Degree in Psychology, a Master's Degree in Business Administration and a Juris Doctorate Degree in Law and is fluent in both the English and Spanish languages. Mr. Rodriguez is a frequent speaker at seminars sponsored by the State Bar of Texas, the Chapter 13 Trustee's Office, University of Texas, Cameron and Laredo County Bar Associations and the Texas Attorney General's Office and has published over twelve articles on the subject of consumer bankruptcy issues and related topics. He is admitted to practice in the Southern and Western Districts of Texas and is a member of the American Bankruptcy Institute, the Consumer Bankruptcy Section of the State Bar of Texas and National Association of Chapter Thirteen Trustees. issues and trends **Self-Publishing for Beginners** Learn2succeed.com Incorporated,2015-06-04 Everybody has a book inside them but it doesn't do any good until you pry it out. Well, best-selling author Jodi Picoult is partly correct in making that statement; however, the challenge is what to do with it after it is pruned out. It won't do any good until it is published. Most first-time authors are rejected by publishers, so what do they do if their manuscript has been turned down? This book will provide them with a practical alternative, i.e., self-publish it. How to prepare your manuscript and use the Internet to conduct research. Some of the computer software that can help in preparing your manuscript. Suggestions on ways to edit and proofread it. Learn about the cataloguing, copyright, and legal stuff. Learn how to publish print books and eBooks and how to advertise, market, and sell them online. Learn about the importance of metadata to help in the discoverability of your titles. Learn about the Digital Rights Management to protect your electronic content, the issues around pricing, and offering free content. Take a look into the future: what the publishing industry will look like and the social consequences as the publishing industry continues to go digital. This book is written under a pseudonym by a publisher with many years of experience operating a small publishing company. It is packed with inside information that will help every aspiring author self-publish their own print books or eBooks. *Make Money Selling Your Digital Products Online* Learn2succeed.com Incorporated,2015-06-04 Create, sell, and deliver digital products over the Internet.
