The Sports Scholarships Insider's Guide Dion Wheeler, 2009-04-01 The 1 book on sports scholarships completely updated and revised. 1 billion of athletic scholarships are awarded each year. But student athletes who aren't big time recruits miss out on tens of thousands of dollars of financial aid available to them. The problem is students and parents don't know where the money is or how to get it. Discover the secrets to getting a sports scholarship. Over seventeen hundred colleges offer athletic programs. Over 500,000 athletes participate in sports in the nation's college programs. But less than 1% about 4,000 of them get Division I full ride financial aid grants. The truth is 80% of all college athletic opportunities are located outside Division I. But to seize those opportunities you must take control of your own recruiting process: recruiting, research, and homework, exposure and promotion, and negotiating all in the environment of a high stakes contest where only the opposition knows the rules. This book will give you the edge. If you aren't one of the 4,000 but are athletically and academically qualified to participate in college sports, *The Sports Scholarships Insider's Guide* will lead you step by step through the twists, turns, and all too often unpleasant surprises to achieve your ultimate goal of a roster position and financial aid for your athletic ability. Practical step by step information in a clear and conversational manner.
