Bodies in Motion Arthur Remillard, 2025-05-19 Are sports the new American religion Arthur Remillard a seasoned scholar of religion and sports hears this question frequently Often it is prompted by the contrast between the waning of traditional religious institutions and the thriving cash rich world of sports Stadiums bustle with boundless enthusiasm exuberant rituals and potent symbols Churches no longer seem to According to Remillard however this question reduces religion to only its institutional form thereby overlooking the many unscripted ways that sports have assumed sacred significance throughout American history Bodies in Motion shines a bright light on the ways that sports have allowed individuals and communities to develop describe and proclaim their most deeply held and strongly defended values and beliefs From prizefighting and baseball to distance running and bowling Remillard emphasizes that the fundamental element of sports is the human body in motion the body that strives struggles and sweats on the field of play From here participants observers and organizers do the creative work of inscribing meaning onto these motions of elevating them from the ordinary to the extraordinary Along the way these interpretations shape and are shaped by broader societal forces at play including race class gender ethnicity and nationality Engaging and thought provoking Bodies in Motion shows how sacred activities have been intricately entangled in athletic activities expanding how we think about religion and its meaning and uses Whether you re an avid sports fan a reader of American history or simply curious about the intersection of religion and sports this book promises to show you new ways of understanding this fascinating subject

Tackling the Everyday Tracie Canada, 2025-02-25 A Black feminist take on exploitation and care in America s favorite game Big time college football promises prestige drama media attention and money Yet most athletes in this unpaid amateur system encounter a different reality facing dangerous injuries few pro career

opportunities a free but devalued college education and future financial instability In one of the first ethnographies about Black college football players anthropologist Tracie Canada reveals the ways young athletes strategically resist the exploitative systems that structure their everyday lives Tackling the Everyday shows how college football particularly harms the young Black men who are overrepresented on gridirons across the country Although coaches and universities constantly invoke the misleading football family narrative this book describes how a brotherhood among Black players operates alongside their caring mothers who support them on and off the field With a Black feminist approach one that highlights often overlooked voices Canada exposes how race gender kinship and care shape the lives of the young athletes who shoulder America's favorite game *The Saturday Review of Politics, Literature, Science and Art*, 1904 *The Saturday Evening Post*, 1907

The Top Books of the Year Fantasy Football Sat Practice This Month The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Fantasy Football Sat Practice This Month : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
