Lovesick Falls Julia Drake, 2025-06-03 This queer take on *As You Like It* features first loves friend breakups and madcap mix ups from award winning author Julia Drake Celia Gilbert is the perfect friend loyal trustworthy and committed to mending her best friends broken hearts She s the reason the trio is spending the summer in Lovesick Falls the idyllic little town where Touchstone s sort of uncle s cabin was waiting to be house sat by three unsupervised but totally responsible teenagers After all Celia Ros and Touchstone have been best friends since childhood Sure Celia is in love with Ros and Touchstone was once in love with Celia but that s the beauty of a place like Lovesick Falls If you fell in love you could fall out Unless you can change the other person s mind They started the summer closer than ever Will living together tear them apart

Hallowed Days Daniel Hale, 2020-12-15 *Hallowed Days* is a collection of stories relating to two of the most iconic festivals of the year as well as certain others In *Pact of the Lantern* a trio of goblins strike out against the old seasonal traditions In *Krampusnacht* a late night holiday party devolves into an ancient winter custom of debauchery and dread In *Eggshells* a man reminisces with his brother over a childhood egg hunt while a boy follows his father into a bald eagle preserve in *Eagle Lights* Through it all the seasons will change and nightmares will be had Rituals play out and demons are perhaps banished for a time

Official Gazette of the United States Patent and Trademark Office, 2004 **The Red Book** Deborah Copaken Kogan, 2012-04-03 *The Big Chill* meets *The Group* in Deborah Copaken Kogan s wry lively and irresistible new novel about a once close circle of friends at their twentieth college reunion Clover Addison Mia and Jane were roommates at Harvard until their graduation in 1989 Clover homeschooled on a commune by mixed race parents felt woefully out of place Addison yearned to shed the burden of her Mayflower heritage Mia mined the depths of her suburban ennui to enact brilliant performances on the Harvard stage Jane an adopted Vietnamese war orphan made sense of her fractured world through words Twenty years later their lives are in free fall Clover once a securities broker with Lehman is out of a job and struggling to reproduce before her fertility window slams shut Addison s marriage to a writer s blocked novelist is as stale as her so called career as a painter Hollywood shut its gold plated gates to Mia who now stays home with her four children renovating and acquiring faster than her director husband can pay the bills Jane the Paris bureau chief for a newspaper whose foreign bureaus are now shuttered is caught in a vortex of loss Like all Harvard grads they ve kept abreast of one another via the red book a class report published every five years containing brief autobiographical essays by fellow alumni But there s the story we tell the world and then there s the real story as these former classmates will learn during their twentieth reunion weekend when they arrive with their families their histories their dashed dreams and their secret yearnings to a relationship changing score settling unforgettable weekend

The Laughing Librarian Jeanette C. Smith, 2014-01-10 Despite the stodgy stereotypes libraries and librarians themselves can be quite funny The spectrum of library humor from sources inside and outside the profession ranges from the subtle wit of the *New Yorker* to the satire of

Mad This examination of American library humor over the past 200 years covers a wide range of topics and spans the continuum between light and dark from parodies to portrayals of libraries and their staffs as objects of fear It illuminates different types of librarians the collector the organization person the keeper the change agent and explores stereotypes like the shushing little old lady with a bun the male scholar librarian the library superhero and the anti stereotype of the sexy librarian Profiles of the most prominent library humorists round out this lively study **BARE CUPBOARDS TO VENICE** Jane Stowe,2024-04-23 Did you grow up believing in fairy tales of youth suggesting that you could have a happily ever after life story Or maybe your experience was more along the line of someone telling you that you would have a wonderful life if you just fill in the blank Most people will say that disappointment in life is a common experience that we all share Maybe it wouldn't really surprise you at all to find out that life is meant to be a test of endurance filled with trials and tribulations that are specifically designed by a loving God meant for your benefit Even so there will be times when you will trip and fall just skinning your knees while at other times you may lunge straightforward into a dark abyss As someone who passionately believes that we all have a story to tell Jane Stowe offers spiritual insight gained from her passage down a road of breathtaking brokenness into a life of gratitude She carries the reader from her early years to develop a story that weaves excruciatingly through innocence profound loss confusion and her own personal failures toward a heart wrenching acceptance that all we can ultimately control is not what happens to us as much as how we respond to what happens to us Her desire is that you will see within these pages that her spiritual journey was assuredly blessed by God's grace and His love and that we can have hope that a happy ending is available to all However she also acknowledges that refresher courses may be required from time to time Jane believes there are no coincidences in life and perhaps even finding this book in your hands may have been assisted by divine providence **Winter and Night** S. J. Rozan,2003-04-14 From the critically acclaimed award winning S J Rozan comes her finest novel to date an explosive novel about the corrosive power of secrets and corruption in a small town In the middle of the night private investigator Bill Smith is awakened by a call from the NYPD They're holding a 15 year old kid named Gary a kid Bill knows But before Bill can find out what is going on Gary escapes Bill's custody into the dark night and unfamiliar streets Bill with the help of his partner Lydia Chin tries to find the missing teen and uncover what it is that led him so far from home Tracking Gary's family to a small town in New Jersey Bill finds himself in a town where nothing matters but high school football where the secrets of the past both the town's and Bill's own threaten to destroy the present And if Bill is to have any chance of saving Gary and preventing a tragedy he has to both unravel a long buried crime and confront the darkness of his own past **Winter and Night** is the winner of the 2003 Edgar Award for Best Novel Minimalist Living Mary Connor,2019-01-27 The Ultimate Minimalist Living Guide To Being a Minimalist Has life been feeling cluttered lately Does everything seem overwhelming and too much to handle Sometimes looking at the things around you and the way you live your life could be the key to finding the root cause of your problems

Living minimally is becoming quickly popular amongst those that wish to live a simpler life Maybe you are feeling stuck wishing you had more stuff more cars more money By living minimally you are able to adjust your mindset and focus more on what is important Living minimally is not just about looking at what is around you but looking at what is inside of you For some minimalism might be a radical idea Others might find that this is the solution they ve been eagerly waiting for No matter how you might initially feel about minimalism reading this book will provide answers on how to better live your life In the average American home there might be an average of 300 000 items In a regular day there is no way that the average American would use even a quarter of these things So what is the point in letting those items control your life Grab your copy today and discover How To Start Living A More Minimal Lifestyle Essential Rules For Living With Less Learn To Focus On The Important Things Simple Habits of Minimalist Living You Can Adopt Today Important Ways Minimalism Can Help Create Stronger Relationships 50 Tips To Help You Say Goodbye To Your Things Save Money And More Importantly Time And much more You might have heard of the concept of minimalism before but there are many misconceptions about what is actually involved The basic idea behind minimalism is the stripping down of the essential aspects of one s life in order to put more emphasis on what is important and less weight on the materialist things in life Minimalism does not have to be a strict practice and you can start simply by applying methods that will work and passing over the parts that do not It is time for you to take back control over your life and no longer let the stuff around you define what you are going to feel Living minimally will introduce you to the life you have always dreamed of but in a way you have never seen before So if you are ready to change your life in a way that will actually stick buy this book today

How to Do Things with Dead People Alice

Dailey,2022-06-15 How to Do Things with Dead People studies human contrivances for representing and relating to the dead Alice Dailey takes as her principal objects of inquiry Shakespeare s English history plays describing them as reproductive mechanisms by which living replicas of dead historical figures are regenerated in the present and re killed Considering the plays in these terms exposes their affinity with a transhistorical array of technologies for producing reproducing and interacting with dead things technologies such as literary doppelg ngers photography ventriloquist puppetry X ray imaging glitch art capital punishment machines and cloning By situating Shakespeare s historical drama in this intermedial conversation Dailey challenges conventional assumptions about what constitutes the context of a work of art and contests foundational models of linear temporality that inform long standing conceptions of historical periodization and teleological order Working from an eclectic body of theories pictures and machines that transcend time and media Dailey composes a searching exploration of how the living use the dead to think back and look forward to rule to love to wish and create
