Just Another Slice-A Foster Care Story Based on True Events. No Place For Me Series Dr. Sharon Zaffarese-Dippold,2022-06-28 Every foster child deserves a voice This is mine In Just Another Slice nine year old Sarah Bailey tries to survive in a family full of emotional physical and sexual abuse while at the same time trying to protect her younger brother Curtis Sarah learns that asking for Just Another Slice of toast is not the only thing in her life she will be denied Yet in a world full of cruelty she finds kindness and happiness in the most unsuspecting people places and things Sarah and Curtis's foster care story is based on actual events about Dr Sharon Zaffarese Dippold and her brother Carl In this book Sarah and Curtis learn they are foster children Join their journey of laughter pain hope and resiliency You will see hear and feel what Sarah and Curtis does throughout this sad and inspiring story of not just surviving but thriving Mountains and a Mustard Seed Nicole Allen,2018-10-26 Mountains and a Mustard Seed A Family's Journey of Hope is the real life story of the Allen family No detail has been spared as the reader is given an inside look at the dynamics of the average but not so ordinary family and their journey through this thing called life How they worked at advancing careers building a life and enjoying comfort and security to losing it all Accompany them as they come to the humbling realization that they were not the authors of their own successes learning to put their trust in God and the amazement at how He provided for their every need often using people along the way Mountains and a Mustard Seed will inspire and give hope regardless what stage of life's journey you are on **168 Hours** Laura Vanderkam,2011-05-31 It's an unquestioned truth of modern life we are starved for time We tell ourselves we'd like to read more get to the gym regularly try new hobbies and accomplish all kinds of goals But then we give up because there just aren't enough hours to do it all Or if we don't make excuses we make sacrifices taking time out from other things in order to fit it all in There has to be a better way and Laura Vanderkam has found one After interviewing

dozens of successful happy people she realized that they allocate their time differently than most of us. Instead of letting the daily grind crowd out the important stuff, they start by making sure there's time for the important stuff. When plans go wrong and they run out of time, only their lesser priorities suffer. Vanderkam shows that with a little examination and prioritizing, you'll find it is possible to sleep eight hours a night, exercise five days a week, take piano lessons, and write a novel without giving up quality time for work, family, and other things that really matter.
