Mac's more annoying character traits and in those cases where such behavior can't be avoided you learn how to work around it. In this book you learn how to prevent Mac problems from occurring and just in case your preventative measures are for naught you learn how to fix many common problems yourself. This book is for Mac users who know the basics but want to take their Mac education to a higher level. It's a book for people who want to be more productive, more efficient, more creative and more self-sufficient at least as far as their Mac goes anyway. It's a book for people who use a Mac every day but would like to incorporate that Mac into more of their day-to-day activities. It's a book for people who pooh-poo the notion that Mac users are a cult but if someone decided to start an actual Mac cult they'd join anyway. It's a book I had a blast writing so I think it's a book you'll enjoy reading.
