The Radio Station Michael C. Keith, 2010 The Radio Station is considered the standard work on radio media. It remains a concise and candid guide to the internal workings of radio stations and the radio industry in all of its various forms. Not only will you begin to understand how each job at a radio station is best performed, you will learn how it meshes with those of the rest of the radio station staff. If you are uncertain of your career goals, this book provides a solid foundation in who does what, when, and why. The Radio Station details all departments within a radio station, be it a terrestrial, satellite, or Internet operation, from the inside out, covering technology, operations, sales, and syndication. It also offers an overview of how government regulations affect radio stations today and how radio stations have adapted to new communications technologies. Drawing on the insights and observations of those who make their daily living by working in the industry, this edition continues its tradition of presenting the real-world perspective of where radio comes from and where it is heading. The Eighth Edition of this classic text includes expanded sections on digital, satellite, and Internet radio; integration of new technologies; new and evolving formats; the uses and applications of podcasts and blogs; mobile multimedia devices; programming for the new radio formats; new contributions by key industry executives; digital studios; station clustering and consolidation; industry economics and statistics; and updated rules and regulations. The new companion website features the interviews and essays with industry professionals, an image bank, additional suggested reading, and a listing of helpful links to industry websites. This edition is loaded with new illustrations, feature boxes, and quotes from industry pros, bringing it all together for the reader. Please visit the companion website <http://www.taylorandfrancis.com/cw/keith/9780240811864> and click on the Resources tab at the top for helpful links and extra content.

Moon Panama William Friar, 2013-04-02 Writer and Panama native William Friar offers unique tips for visiting this up-and-coming destination, from lounging in the Caribbean islands of Bocas del Toro to hiking the highlands of Boquete and exploring Panama City. Friar uses his local knowledge to craft unique trip strategies, such as The 14-day Outdoor Adventure and Six Days for History Buffs. Complete with details for navigating jungle trails, finding cheap taxis, and underground bars, and planning a river expedition, Moon Panama gives travelers the tools they need to create a more personal and memorable experience.
