Goodreads Choice Deal Tutorial:

Teaching Adult Learners Jessica A. Curtis, 2019-06-12 As adult instruction becomes a more common part of library practice librarians need guidance in an area that may not always have been a part of their library science education This book provides the instruction necessary to instruct adult patrons Presenting complex concepts and ideas in an easy to understand format this book applies learning theory to real life situations and provides a much needed resource for those responsible for or seeking to instruct adults in library settings The book introduces learning principles and techniques that will enhance your classes programs and one on one interactions as well as increase the memory retention of participants It will help you not only to promote learning but also to create positive library interactions and build retention Current library instructional and theoretical texts address instructional programming but do not explain how the instructor handles learning instruction differently for individuals general audiences and specific audiences or in passive situations such as through handouts or online interactions This guide differs from other works in that it addresses all adult services positions not only those with the title of instructional librarian and addresses the full scope of instruction that librarians need to better meet patron needs

Information Governance Robert F. Smallwood, 2019-11-26 The essential guide to effective IG strategy and practice Information Governance is a highly practical and deeply informative handbook for the implementation of effective Information Governance IG procedures and strategies A critical facet of any mid to large sized company this super discipline has expanded to cover the management and output of information across the entire organization from email social media and cloud computing to electronic records and documents the IG umbrella now covers nearly every aspect of your business As more and more everyday business is conducted electronically the need for robust internal management and compliance grows accordingly This book offers big picture guidance on effective IG with particular emphasis on document and records management best practices Step by step strategy development guidance is backed by expert insight and crucial advice from a leading authority in the field This new second edition has been updated to align with the latest practices and regulations providing an up to date understanding of critical IG concepts and practices Explore the many controls and strategies under the IG umbrella Understand why a dedicated IG function is needed in today s organizations Adopt accepted best practices that manage risk in the use of electronic documents and data Learn how IG and IT technologies are used to control monitor and enforce information access and security policy IG strategy must cover legal demands and external regulatory requirements as well as internal governance objectives integrating such a broad spectrum of demands into workable policy requires a deep understanding of key concepts and technologies as well as a clear familiarity with the most current iterations of various requirements Information Governance distills the best of IG into a primer for effective action
