100 GOTTs of Basketball: The Greatest Players of Their Time Aliado Nepson,

Basketball doesn't stand still. Rules shift, spacing widens, whistles change, and the three-point line redraws the map. Yet greatness keeps showing up in different shapes. Same certainty. 100 GOTTs of Basketball is the first book to rank the game's giants with a model as modern as the sport itself, then tell their stories with the clarity they deserve. A canonical Top 100 frozen by design. A bold, fully ordered list. 100 spanning men's and women's basketball, NBA, WNBA, ABA, FIBA, college, and international impact. Integrated era, adjusted and printed in full. Rigor you can read. An open scoring framework blends Prime Detection, Medals, Hardware, Opposition, Quality, Longevity, Records, and qualitative pillars: innovation, cultural reach, big game log, An Era, Context, Index, ECI, and bridge normalization keep comparisons fair. 100 chapter portraits. Not highlight reels, explanations, footwork that traveled, shots that survived, May defensive habits that ended possessions early. History that feels alive. Why Russell won with timing, why Kareem's skyhook is still unsolved, physics how MJ turned the midrange into policy, how Taurasi's elbow reads age perfectly, why Curry changed pace itself, how Giannis and Joki reinvented size, how Bird and Magic standardized joy. A reading experience built for debates. Transparent, auditable, and narrative rich. The rare list you can argue with trust and love. Who this book is for: Fans who love arguments and answers, Young hoopheads who want a map, Coaches and analysts who care how possessions are really won, Readers who believe the women's game belongs at the center of the story, not its edge. Why now? The game has never moved faster or been measured better. This book is where the numbers meet the nuance.

Sports Publicity Joe Favorito, 2024-12-27 In the fourth edition of his groundbreaking guide to communications in sports, Joe Favorito draws on knowledge gained from interviews with thought leaders from across the sports industry to introduce the skills, knowledge, and techniques needed to become a successful communicator. The book outlines the history of sports communications, explores the most important professional themes, topics, and issues, and highlights exciting opportunities for future development. With a strong emphasis on professional practice and the day-to-day realities of working in sports and entertainment, the book covers all the core functional areas such as digital and social media strategy, crisis management, creative writing, the value of audio storytelling, and the role of communications in business. This new edition includes more international and diverse case studies, interviews, and best practices reflecting on how the sport communications business has become more integrated since 2020 and considering lessons learned through and after the COVID-19 pandemic. It also includes expanded coverage of cause marketing, athletes as brands, social media, multicultural media relations, gaming, and brand integration. No other book offers such a valuable insider's view of the sports communications industry or the importance of PR and media relations in building successful sports organizations. *Sports Publicity: A Practical Approach* is essential reading for all students working in sport business, marketing, or communications, and any PR practitioner looking to improve their professional skills. The author maintains a podcast of updated best practices, The CUSP Show, which is widely available, as well as a blog of best practices at joefavorito.com. Both of these resources are perfect companions to this book.
