Topic is focused on STEM education based on this model several studies have emerged on innovative approaches on teaching and learning. In order to meet the demands of developing students for the 21st century skills and given the appropriate characteristics for this goal of the STEM model, further research is needed on this topic. Being so, it is justified to carry out more research on STEM approaches such as with pre-service teachers, in-service teachers, and all levels of education. This research topic provides a stimulating and informative variety of research papers that expand and deepen our theoretical understanding on STEM innovations on teaching and learning. Taking into account the demands of developing students for the 21st century skills in this Research Topic, we aim to collect high quality studies focused on STEM model related to pre-service teachers, in-service teachers, as well as students of all levels of education. We also intend to cover the largest variety of topics addressing this specific matter that could help to foster STEM implementation in the classroom, to sharing STEM model education training experiences. Furthermore, we are interested in contributions that provide deepening insights into the challenges and opportunities involved in adopting STEM education in teaching and learning in a sustainable way.

**Resources in Education**, 1978-12      **TEACHER EDUCATION, THIRD EDITION** MOHAN, RADHA, SOMASHEKAR, T.V., 2025-05-01

Teacher Education is the cornerstone of all educational systems. To ensure its effectiveness, it is vital to establish a framework that equips teacher trainees with the skills needed to excel in classroom settings. The book delves into strategies for enhancing teacher training, improving education programs, and delivering quality education. The National Education Policy (NEP) 2020 emphasises the significance of teacher education, reinforcing the vision of India as a *Vishwa Guru*. It mandates fifty hours of Continuous Professional Development (CPD) for in-service teachers annually in both online and offline modes, integrating technology into education. Furthermore, it proposes the introduction of National Professional Standards for Teachers (NPST) and mandates school-based experiences such as internships in pre-service teacher programs to cultivate humane educators with essential competencies. Now in its third edition, this book emphasises teacher skill development, addressing the growing role of technology and the evolution of education policies, procedures, and frameworks. Each chapter has been carefully updated to align with the latest NCTE norms and the recommendations of the Justice Verma Commission. **KEY FEATURES** Focuses on core pedagogical skills and competencies to foster professional excellence in teachers. Offers a comparative analysis of teacher education across various countries to broaden perspectives. Incorporates numerous flowcharts and diagrams to simplify complex concepts and enhance understanding. The present edition continues to serve as an indispensable guide for teacher education, preparing educators to meet the dynamic demands of modern classrooms in offline, online, and hybrid modes. **TARGET AUDIENCE** M.A. Education, M.Ed., B.Ed., Diploma in Teaching, trainees.
