Grokking Continuous Delivery Christie Wilson, 2022-11-08 Grokking Continuous Delivery teaches you the design and purpose of continuous delivery systems that you can use with any language or stack You'll learn directly from your mentor Christie Wilson Google engineer and co creator of the Tekton CI CD framework Using crystal clear well illustrated examples Christie lays out the practical nuts and bolts of continuous delivery for developers and pipeline designers In each chapter you'll uncover the proper approaches to solve the real world challenges of setting up a CD pipeline With this book as your roadmap you'll have a clear plan for bringing CD to your team without the need for costly trial and error experimentation Publisher's description

Memory, Trauma, and History Michael S. Roth, 2011-11-01 In these essays Michael S Roth uses psychoanalysis to build a richer understanding of history and then takes a more expansive conception of history to decode the cultural construction of memory He first examines the development in nineteenth century France of medical criteria for diagnosing memory disorders which signal fundamental changes in the understanding of present and past He next explores links between historical consciousness and issues relating to the psyche including trauma and repression and hypnosis and therapy Roth turns to the work of postmodern theorists in connection with the philosophy of history and then examines photography's capacity to capture traces of the past He considers how we strive to be faithful to the past even when we don't care about getting it right or using it productively Roth concludes with essays defending pragmatic and reflexive liberal education Drawing on his experiences as a teacher and academic leader he speaks of living with the past without being dominated by it
