Prime Big Deal Days Today:

Spies, Lies, and Disguise Jennifer Swanson, 2019-11-26 In the late 1930s times were desperate The world found itself at war again less than twenty years after the first World War had ended No one could quite believe it And no one wanted it The leaders of every country involved were left with no choice They had to try to end the war as fast as possible using whatever means they could That meant coming up with secret operations meant to deceive deflect and confuse their enemies Poison the cattle that the Germans eat Deliberately float a corpse dressed up as a spy across the water to have it wash up on Germany's shore Create a unit of top secret commandos with a license to kill These were all real tactics attempted with the ultimate goal of defeating Hitler In this off center look at history readers will be captivated by the classified and covert efforts made by each side as they tried to gain the upper hand and win the war Restricted access is lifted to give the reader a peek into the top secret operations of the daring men and women who fought the war under a cloak of secrecy *SABKA SAATH SABKA VIKAS PRIME MINISTER NARENDRA MODI SPEAKS (2016-2017)* Publications Division, This volume is a collection of 63 speeches of the Prime Minister in his third year in office from May 2016 to April 2017 Divided in five sections the speeches in this volume invoke the concept of good governance lay down the dream for making India prosperous and proficient in various fields they hail the contributions of soldiers farmers and scientists they raise the hope for respect and better life for all our countrymen and they present a clear commitment for Rising India *The National Provisioner*, 1913

SABKA SAATH SABKA VIKAS PRIME MINISTER NARENDRA MODI SPEAKS (2017-2018) Publications Division, This volume is a collection of 76 speeches of the Prime Minister in his fourth year in office from May 2017 to April 2018 Divided in five sections the speeches in this volume invoke the concept of good governance lay down the dream for making India prosperous and proficient in various fields they hail the contributions of soldiers farmers and scientists they raise the hope for respect and better life for all our countrymen and they present a clear commitment for Rising India **National Stockman and Farmer**, 1913 **Cincinnati Price-current**, 1895 *US Department of State Dispatch*, 1994 8 Days of Crisis on the Hill; Political Blip Or Stephen Harper's Revolution Derailed? Thomas W. Joseph, 2009 Whew What a week that was as Canadians went from being the peaceable kingdom talking about the need for cooperation and consultation to what many described as a full blown national crisis The Prime Minister and Conservative Government had turned an economic crisis into a political crisis then a constitutional crisis And if that wasn't enough of a week's work the Prime Minister managed to also turn it into a crisis of national unity And some say Canadian politics and politicians are boring Accusations of traitor coup d'état illegitimate undemocratic loss of confidence loss of trust socialist separatist and deals with the devil reverberated across the floor of the House of Commons Each of the crisis that engulfed the Hill over those eight days had political consequences for those involved and for the parliamentary system Stephen Harper may have survived to fight another day but in doing so he may have committed his most serious strategic error and will pay a heavy price for it over the

next months and years It is my contention that he is as much a strategic stumbler as a master strategist and that his long term goal to make the Conservative party Canada s natural governing party and to move Canadian society to the right has been derailed

Tough Spy Under Evil Prime Minister Xiu Cai,2019-12-21 When I came to you I was tormented by you just because I was forced to and when I found out that you and I had to separate after all because I had to confess my identity and know that you were sincere he said When you were suffering I made up my mind to make you pay a hundred times the price for all I had suffered Now I can take revenge but I don t want to see you suffer any more

The Prime Ministers' Craft Patrick Weller,2018-05-04 Prime ministers are presented as ever more powerful figures at the same time they seem to fail more regularly How can the public image be so different from the apparent experience This book seeks to answer this conundrum It examines the myth that prime ministers are growing more powerful or that prime ministerial government has replaced cabinet government and explores the way that prime ministers work and how they use the available levers of power to build support across the political system Prime ministers have the potential to exercise extensive power to do so they need to exercise the skills and opportunities available that is they need to develop the prime ministers craft Using evidence from four countries with similar Westminster systems Australia Britain Canada and New Zealand the analysis starts at the centre by examining how prime ministers reach office and how they understand their new job those who win elections see it differently from those who replace leaders from the same party The book then analyses the support prime ministers have from their Prime Ministers Offices and the Cabinet Offices exploring their relations with ministers and the way they run and use their cabinet and explains how governments work and why prime ministers are so central to their success The book then explores their role as public figures selling the government to the parliament and the electorate and to the international community beyond The Prime Ministers Craft concludes by assessing how success can be judged and identifies how the different institutional arrangements have an impact on the way prime ministers work and the degree to which they are accountable

JOHN MacKAY John MacKay is one of Scotland's best known broadcasters. His career as a reporter, anchor, and presenter has spanned from the Thatcher Years to the Independence Referendum and beyond. MacKay has been witness to the major stories in the country's recent past. There have been the tragedies of Lockerbie, Dunblane, and Clutha; sporting triumphs and tears; the opening of the new Scottish Parliament; the drama of parliamentary elections and referendums; interviews with Prime Ministers and First Ministers; and the death of Donald Dewar. From being in a room with a grizzly bear to trying to calm an irate and topless Alex Salmond, MacKay's career has been nothing if not varied. Using archive scripts, interview transcripts, recollections, and personal diaries, he tells the story of one of the most tumultuous periods in Scotland's peacetime history.
