Tiktok In The Us Returns:

The Return of Geopolitics and Imperial Conflict Francesco M. Bongiovanni, 2024-07-01 After the brief respite that followed the fall of the USSR geopolitics and major wars are back affecting everyone everywhere In a world transitioning to multipolarity Great Powers jostle for supremacy regional powers feel emboldened to act on their own ambitions supply chains are disrupted and instability becomes the norm America has an empire that it wants to keep Russia lost an empire that it wants to recover and China doesn't have an empire and wants one with India the wildcard But there is more to it than Great Power rivalry From Ukraine to the South China Sea from the Middle East to Central Asia from the Arctic to outer space Bongiovanni lays it bare in this fascinating journey across the geopolitics of our time with in the background de globalization the battle against the dollar and the new AI driven age

Under Assault Dennis Molinaro, 2025-11-18 FOREWORD BY

CHERIE WONG National security expert Dennis Molinaro reveals the shocking details of Beijing's five decades long effort to influence and interfere in Canadian political life From cultivating future political leaders at the end of the Cultural Revolution to the foreign interference scandals that have shaken present day Ottawa this definitive book addresses one of the most urgent issues of our time Amidst heightened tensions between Western nations and China Canadians have found themselves astonished by hostage crises cyberattacks harassment of members of our government and theft of intellectual property worth untold billions of dollars Guided by Molinaro's experience as a historian and China specialist Under Assault focuses on the actions of the People's Republic of China's government and its governing party the Chinese Communist Party against Canada during the past fifty years From Prime Minister Pierre Elliott Trudeau's earliest journeys through the Middle Kingdom prior to his election to Parliament in the 1960s the communist government of the PRC has perceived Canada as a staging ground for spying on and pressuring its ultimate target the United States When Canada's first tech giant Nortel was plundered of intellectual property by digital spies while Canada was manipulated into advocating against the independence of Taiwan and as Chinese Canadians were targeted in the country where they thought they'd escaped Mao's terrors Canada's leaders have too often seen only what they want to see in China an emerging market of inestimable value and fertile soil for democratic change for a long tyrannized people Generations of Communist leadership have gladly allowed Canada's government to labour under these misapprehensions even when the evidence of China's spying theft and harassment of Canadian citizens has been happening right before its eyes Canada has rarely allowed itself to believe what the rest of the world has long understood Informed by numerous interviews with generations of Canadian politicians diplomats and bureaucrats members of diaspora communities targeted by China who have endured this harassment for too long as well as by new revelations from recently declassified CSIS documents Under Assault is a timely eye opening account of a country compromised by its own illusions in a time of rising global conflict and a burgeoning new world order

The Dynamics of Asian Economic Development Hitoshi Hirakawa, Ferdinand C. Maquito, 2024-12-10 One feature of this book is the clarification of the

development mechanism of Asia as a regional economy for over half a century based on an Asian Economy Within the Global Economy approach that goes beyond the single country analytical framework The development of emerging economies has caught the world's attention from the Newly Industrializing Countries or Newly Industrializing Economies of the 1980s to the BRICs entering this century General economics cannot clarify the internal mechanism of the changing of newly industrialized economies led by Asia This book clarifies such regional development structure by focusing on the direct investments of multinational firms and the importance of gradual changes of specific policies adopted by newly industrialized economies Moreover the book concretely deals with the US China trade war and China's Belt and Road Initiative BRI as a problem of Asian economies In so doing the book not only perceives the structural change of the global economy as a structural change from a US centric global economy of the twentieth century to a China centric one but also focuses on the birthing of a new growth frontier in the world economy under a crisis brought about by a war for hegemony between the US and China The investment initiative through China's BRI has prompted the investment competition between Japan and the US which has made even stronger the possibility of giving birth to a new economic frontier in Afro Eurasia Another feature is the consideration of various issues that confront Asian countries in their search for economic development using the Philippines as a case study The analysis of the study points to the importance of a shared growth perspective which is based on an Asian development model and discusses the challenge of overcoming the issues of the economic development model within the region At the same time this book studies the significance and new issues as a region of the economy and overseas policies of attention drawer China

The Return of Great Powers Jim Sciutto, 2024-03-12 Instant New York Times Bestseller A Politico Top 10 Most Anticipated Book of 2024 A New York Times Notable Book A New York Times Book Review Editors Choice An absorbing account of 21st century brinkmanship one that should be read by every legislator or presidential nominee sufficiently deluded to think that returning America to its isolationist past or making chummy with Putin is a viable option in today's world New York Times Book Review The essential new book by CNN anchor and chief national security analyst Jim Sciutto identifying a new more uncertain global order with reporting on the frontlines of power from existing wars to looming ones across the globe The fall of the Berlin Wall in 1989 dawned what Francis Fukuyama called The End of History Three decades later Jim Sciutto said on CNN's air as the Ukraine war began that we are living in a 1939 moment History never ended it barely paused and the global order as we long have known it is now gone Powerful nations are determined to assert dominance on the world stage And as their push for power escalates a new order will affect everyone across the globe Russia's invasion of Ukraine is a part of it but in reality this power struggle impacts every corner of our world from Helsinki to Beijing from Australia to the North Pole This is a battle with many fronts in the Arctic in the oceans and across the skies on man made islands and redrawn maps and in tech and cyberspace Through globe spanning exclusive interviews with dozens of political military and intelligence leaders Sciutto defines our times as a return of great power conflict a definitive break

between the post Cold War era and an entirely new and uncertain one With savvy thorough in person reporting he follows up his 2019 bestseller *The Shadow War Inside Russia's and China's Secret Operations to Defeat America* which focused on the covert tactics of a hidden conflict *The Return of Great Powers* analyzes a historic and visible shift in real time It details the realities of this new post post Cold War era the increasingly aligned Russian and Chinese governments and the flashpoint of a new global nuclear arms race And it poses a question As we consider uncertain even terrifying outcomes will it be possible for the West and Russia and China to prevent a new World War
