claiming her as his mate Humans weren't taught much about the fae and one look at the horrifying doll meant to be her belated birthday gift solidified her suspicions that someone was playing a cruel joke Except the letters and odd gifts kept coming Against her better judgment Amelia fell in love with her mysterious admirer throughout the years certain they would never meet But on her twenty fifth birthday her walk to work was interrupted by two familiar words she'd read a million times Hello love The male main character is obsessed with his mate and does a few morally black things to those he deems a threat to his relationship There are no shades of grey Book one in an interconnected standalone in the Fae Kings of Eden series While the books do not have to be read in order it is recommended Viciously Yours is a new adult fantasy romance short novel of about 60k words 250 pages It is fast paced and focuses solely on the relationship between the two main characters There is no important overarching background plot Example Rebels attack the kingdoms but there is no story as to why because it's part of the world building not the plot The couple has minor obstacles but there is no miscommunication no third act breakup and no cheating The Never King Nikki St. Crowe, 2022-02-19 The stories were all wrong Hook was never the villain For two centuries all of the Darling women have disappeared on their 18th birthday Sometimes they're gone for only a day some a week or a month But they always return broken Now on the afternoon of my 18th birthday my mother is running around the house making sure all the windows are barred and the doors locked But it's pointless Because when night falls he comes for me And this time the Never King and the Lost Boys aren't willing to let me go
