Taylor, 2024-10-15 In a kingdom drowning in blood all Odyssa Duhiva wants is to save her family But the price of salvation may be higher than she ever imagined The kingdom of Veressia has been forsaken by its prince who has chosen instead to drown out the screams of the dying Trapped in a kingdom without a leader and blamed by her brothers for her mother s death Odyssa has little hope of ever succeeding at honoring her mother s dying wish Driven by desperation Odyssa ventures into the heart of the

barricaded castle masquerading as a servant amidst the prince's nightly opulent parties. But as she delves deeper into the castle's secrets, she uncovers a sinister connection between the coward prince and the devastating plague. After attracting the attention of the prince's most trusted advisor Odyssa, she finds herself entangled in a dangerous game of power and deceit. With each step closer to the truth, she realizes that her fate and the fate of her family rests in the hands of the handsome stranger whose true intentions for betraying his prince and helping her seem content to remain shrouded in mystery. As forbidden passions ignite, tentative alliances are forged and dark secrets are revealed, Odyssa must choose between following her heart or sacrificing it for the promise of salvation. Inspired by various works of Edgar Allan Poe, *Beyond Those Gilded Walls* is a standalone adult gothic fantasy romance brimming with rare magic, treacherous romance, and dark opulence.

The Compu-mark Directory of U.S. Trademarks, 1991 Sexuality in America Robert T. Francoeur, Patricia Koch, David Weis, 1999-08-01. Now available in a new paperback edition, this survey is different in both breadth and scope from all other reports on sexuality in the United States. It covers every topic imaginable from a multicultural point of view in order to reflect fully the complex society in which we live: the biological, psychological, social, and spiritual aspects of our sexual lives.

Writers' Handbook 2025 J. Paul Dyson, 2024-12-15. The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers, or magazines. It contains over 1,500 listings, including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before, with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So, for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance, or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines, and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London, as well as markets in other English-speaking countries. With more and more agents, publishers, and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials, and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers, and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured.
