With Us and Against Us Stephen Tankel, 2018-05-22 In the wake of the September 11 attacks President George W Bush drew a line in the sand saying Either you are with us or you are with the terrorists Since 9 11 many counterterrorism partners have been both with and against the United States helping it in some areas and hindering it in others This has been especially true in the Middle East Africa and South Asia where the terrorist groups that threaten America are most concentrated Because so many aspects of U S counterterrorism strategy are dependent on international cooperation the United States has little choice but to work with other countries Making the most of these partnerships is fundamental to the success of the War on Terror Yet what the United States can reasonably expect from its counterterrorism partners and how to get more out of them remain too little understood In With Us and Against Us Stephen Tankel analyzes the factors that shape counterterrorism cooperation examining the ways partner nations aid international efforts as well as the ways they encumber and impede effective action He considers the changing nature of counterterrorism exploring how counterterrorism efforts after 9 11 critically differ both from those that existed beforehand and from traditional alliances Focusing on U S partnerships with Algeria Egypt Mali Pakistan Saudi Arabia and Yemen against al Qaeda ISIS and other terrorist organizations Tankel offers nuanced propositions about what the U S can expect from its counterterrorism partners depending on their political and security interests threat perceptions and their relationships with the United States and with the terrorists in question With Us and Against Us offers a

theoretically rich and policy relevant toolkit for assessing and improving counterterrorism cooperation devising strategies for mitigating risks and getting the most out of difficult partnerships

The Airline Business Rigas Doganis, 2005-11-16 The airline industry is currently faced with its longest and deepest crisis to date many airlines are losing hundred of millions of US dollars several have collapsed entirely and others have been rescued by their governments This crisis has been precipitated by external shocks such as the attack on the Twin Towers in New York the invasion of Iraq and the SARS epidemic In addition the effect of these events has been exacerbated by dynamic and potentially destabilizing internal developments Comprehensive and thorough this revealing book gives a detailed analysis of the crucial events and key developments which have impacted and will continue to impact on the dynamics of the airline industry Special attention is paid to the key challenges faced by the airlines such as continued liberalization and open skies the impacts of global alliances new low cost and no frills carriers on line selling and distribution privatization the impact of disasters Leading industry authority Rigas Doganis examines the future prospects for the changing airline business and assesses alternative policies which could help the sector adapt to the shifting marketplace Ideal for students researchers and professionals in the fields of economics and business industry and transportation studies this second edition of his definitive book brings the story right up to date

Strengthening U.S.-Russian Cooperation on Nuclear Nonproliferation Russian Academy of Sciences,Russian Committee on Strengthening U.S. and Russian Cooperative Nuclear Nonproliferation,National Research Council,Policy and Global Affairs,Development, Security, and Cooperation,U.S. Committee on Strengthening U.S. and Russian Cooperative Nuclear Nonproliferation,2005-10-07 Strengthening U S Russian Cooperation on Nuclear Nonproliferation Recommendations for Action offers the consensus findings and recommendations of a joint committee established by the U S National Academies and the Russian Academy of Sciences to identify methods of improving the ongoing cooperation between the two nations in this area The report finds that the best way to realize the enormous potential of the U S Russian relationship on nuclear nonproliferation is to reinvigorate the relationship between the two governments as a true partnership It recommends that the U S and Russia establish a Joint High Level Commission of government and non government experts to assess their cooperation and devise a strategic plan for moving forward It suggests that the Senior Interagency Group that was recently established by the two presidents be empowered to carry out this strategic plan The report then examines three issue areas making specific recommendations in each law and taxation program organization and management and scientific and technical cooperation August's Ride with Arrow Kaci Rose,2024-08-15 Graduating college was supposed to be the start of a new chapter but meeting Arrow changed everything Arrow I never thought being the Treasurer of the Mustang Mountain Riders would mean dealing with secrets lies and danger But as I ride into Sturgis to rally help to protect our town the last thing I expect is to find a spark in the eyes of a fiery young woman Kat has no idea what she s getting into when her friends dare her to ask me for a ride The moment she straddles my bike I know she s mine I just didn t know she might be the key to saving the club Kathrine I ve always been the cautious one A sunset ride with Arrow was supposed to be a one time adventure but it turned into so much more Following him to the Mustang Mountain Riders Clubhouse was the most impulsive thing I ve ever done Surrounded by bikers and the threat of betrayal I find my place in Arrow s world The danger is real and the stakes are high but with Arrow by my side I feel alive like never before At least until I come face to face with the one person set to destroy the club In a world where loyalty is tested and betrayal is a heartbeat away do I have what it takes to protect the club Welcome to Mustang Mountain where engines roar and loyalty reigns supreme Beneath the shadowy peaks of the mountain the Mustang Mountain Riders defend their ground against a dangerous gang trying to take over their small

town Forged in fire and steel these bikers face threats head on riding hard and fighting even harder While they brave countless battles nothing prepares them for love sparked by the curvy women who steal their hearts
