Snap and Share Adam Furgang, 2014-12-15 They say a picture is worth a thousand words If that s true then what are a thousand pictures worth Today with the use of mobile smartphones and similar devices containing miniaturized cameras snapping and sharing photos has never been easier or more commonplace Playing around with photo and video apps like Instagram Vine Flickr and Snapchat has become a natural part of teenage life But along with the fun comes responsibility This volume guides readers through simple steps for using photo and video apps and offers ideas for unleashing creativity It also addresses the potential risks of using these apps such as cyberbullying and suggests a code of conduct that should be enforced whenever anyone snaps and shares

Snapchat Viktoria Schoja, 2016-03-14 Snapchat is a photo messaging application which was developed in 2011 by Evan Spiegel and Bobby Murphy It is a new way to take pictures or video adding text or drawings over a mobile phone and send them to friends or family with specifications on how long the photo will be available for viewing User can set a time of 1 to 10 seconds for the viewing The timer starts to count down the predefined seconds when the recipient opens the message After the time is up the picture is deleted from the device and cannot be shown to the user anymore Once the user downloads the app on his phone it is essential to register with username and set a password Subsequently the app access the contact list on users phone to load friends Additionally users can add other contacts beyond the existing one manually Snapchat is a new way of sharing moments with friends on iPhone and Android The company compares its product with a phone call where a record of the communication persists however the actual content of the communication does not Even though Snapchat launched many products there is one key feature that they all share deletion The app s mascot which is also used as logo is called Ghostface Chillah a name Brown derived from Ghostface Killah of the hip hop group Wu Tang Clan Snapchat Inc is a privately held venture capital backed company headquartered in Venice California USA The application was first launched in July 2011 as a result of Evan Spiegel s projects at Stanford University under the name Picaboo However the idea of disappearing pictures did not convince other project participants In July 2011 Picaboo was renamed and re launched into Snapchat The former team Evan Spiegel Reggie Brown and Bobby Murphy focused on usability and technical aspects rather than branding efforts at the beginning in order to reach as many user as possible
