SNIFFED OUT: Meghan, Harry, Disney, and the Advocacy for Human Rights, United States, United Kingdom, and the Commonwealth. Pallavi Kakoti McHugh, 2025-01-30

THE TRUE STORY OF HOW THE EIGHT DOGS OF A UNITED NATIONS WHISTLEBLOWER HUMAN RIGHTS ADVOCATE THE CREATOR OF THE WORLD S MOST RACIALLY AND POLITICALLY INCLUSIVE STORY EXPOSED DISNEY S DECEPTION AND MEGHAN MARKLE AND PRINCE HARRY S HYPOCRISY AND RACE BAITING

Meghan Markle was a little known actress from America barely recognized as a suitcase girl on Deal or No Deal the oral sex girl in 90210 and later in the cable TV show Suits Her fame skyrocketed after her marriage to Prince Harry in 2017 which featured a lavish wedding costing around 46 million largely funded by the British royal family and UK taxpayers Inviting mainly Hollywood celebrities it appeared to be a networking event rather than a traditional royal affair In 2020 videos emerged of Meghan and Harry pitching themselves to Disney executives sparking embarrassment worldwide with even Beyonc looking uncomfortable This incident led me to suspect that there s a deeper issue at play regarding Meghan s true intentions and her use of her royal status for personal gain and Disney s public image As a person of color from the Commonwealth married to a white man for 20 years I was disgusted by the Oprah interview with Meghan and Harry in March 2021 Their claims of racism within the British Royal Family and media especially while Prince Philip was on his deathbed were deeply unsettling This portrayal not only created a global perception of racism in the UK but also undermined the progress made in race relations trivializing the experiences of real victims of racism like myself Prince William the future King was compelled to break the royal protocol of maintaining silence and carrying on with duties to defend himself and his family The actions of Meghan and Harry who preached compassion in words but practiced destruction further divided people worldwide based on race The late Queen Elizabeth II died a year later with both her and Prince Philip s last thoughts being that the world believed there was racism in their family and the Commonwealth would eventually break up because of it I knew there was no racist in the British royal family only a race baiter and a shrewd opportunist was present who used people of color and the Commonwealth and racism for their ambition Their actions in my opinion tried to divide the world based on race and harm racial harmony for insatiable greed for power and fame The racial harmony that is crucial for the world in so many ways was just a pawn in a dangerous scheming game for power and fame In December 2022 Meghan and Harry s documentary misled the public by suggesting that Commonwealth countries are akin to a British Empire 2 0 Discover the only legal evidence that I have guarded for 5 years that reveals Meghan Markle as a benefactor of discrimination rather than the victim she has portrayed herself to be Learn how she and Disney are negatively impacting the world and human rights in my work Sniffed Out This serves as a wake up call for the public reinforcing the belief that ultimately good triumphs over evil It s vital to safeguard your interests and the universal right to equal

opportunity and we must all play our part in ensuring this and protect racial harmony from race baiters This captivating true story reveals the intertwining fates of Pallavi Kakoti McHugh and her beloved dogs to some of the world's richest and most powerful individuals including the late Queen Elizabeth II King Charles III Princess Catherine Elon Musk Johnny Depp and Rupert Murdoch alongside some of the world's poorest people and powerful nations such as the United States the United Kingdom and the Commonwealth Everyone is connected to the same perpetrators leading to a significant expos aimed at protecting many worldwide Visit <https://triggerspoint.com/books> to explore the hilarious books The Beautiful Golden Family Parts 1 2 which prompted Pallavi Kakoti McHugh to embark on this extraordinary journey This all began with her dog Wilbur's hilarious struggles with understanding reproduction and artificially achieving six puppies against all scientific odds Additionally be sure to check out the beautiful dogs on Instagram at [thebeautifulgoldenfamily](https://www.instagram.com/thebeautifulgoldenfamily)

Mainstreaming Gays Eve Ng, 2023-09-15 Mainstreaming Gays discusses a key transitional period linking the eras of legacy and streaming analyzing how queer production and interaction that had earlier occurred outside the mainstream was transformed by multiple converging trends the emergence of digital media the rising influence of fan cultures and increasing interest in LGBTQ content within commercial media The U.S. networks Bravo and Logo broke new ground in the early 2000s and 2010s with their channel programming as well as bringing in a new cohort of LGBTQ digital content creators providing unprecedented opportunities for independent queer producers and hosting distinctive spaces for queer interaction online centered on pop culture and politics rather than dating These developments constituted the ground from which recent developments for LGBTQ content and queer sociality online have emerged Mainstreaming Gays is critical reading for those interested in media production fandom subcultures and LGBTQ digital media
