Max Streaming 2025:

From Telenovelas to Netflix: Transnational, Transverse Television in Latin America Joseph Straubhaar, Melissa Santillana, Vanessa de Macedo Higgins Joyce, Luiz Guilherme Duarte, 2021-12-06 This book is about television in Latin America Its national and regional industries create most television programming there within genres developed over time in the region However part of the programming has always come from the U S Europe and elsewhere With cable satellite and now streaming TV that inflow of foreign programming has increased substantially While many in the audience still prefer national or regional programs for their cultural proximity an increasing number among the upper middle and middle classes particularly the young are turning to the new foreign services like Netflix Amazon and Disney for class distinction cosmopolitanism or other motives Among the television industries global regional and national actors are creating a variety of programs and channels broadcast pay TV and streaming to segment and appeal to different parts of the audience

Netflix and Streaming Video Amanda D. Lotz, 2022-07-22 Netflix and Streaming Video is the first book to provide a comprehensive foundation for understanding the business of subscriber funded streaming video and its implications for the role of these services in culture Drawing on Lotz s two decades of research it highlights the similarities and differences among streaming video services Netflix Amazon and video distribution technologies broadcast satellite internet Making a number of provocative and thought provoking arguments the book first reveals how the reliance on subscriber payment and video on demand produces different norms and strategies compared to previous video businesses It then investigates Netflix and how its particular blend of characteristics distinguishes it from other subscriber funded video on demand services The author expertly shows that by understanding the underlying economic and technological dynamics of these services and their differences it is possible to better assess the actions taken by the companies and what the future of video may encompass The book is a must read for students and scholars of Media and Communications Studies as well as those wishing to learn more about Netflix and streaming video services

The Independent Filmmaker's Guide to the New Hollywood Gabriel Campisi, 2020-09-28 Netflix and its competitors like Disney Amazon Prime and Hulu have brought unprecedented levels of entertainment to consumers everywhere providing the richest most abundant aggregate of motion pictures and cinematic television the world has ever seen Behind the facade however things are not as pleasant A very costly paradigm shift is underway altering not only conventional business and finance models but also threatening long established avenues of entertainment such as movie theaters traditional television and home video and wreaking havoc on independent filmmakers and veteran producers alike This book attempts to make sense of ongoing economic and creative shifts of infrastructure and intellectual property to understand where the industry is headed and to distinguish which business models should be maintained and which ones should be left behind Featuring exclusive interviews with some of the industry s most prolific filmmakers and executives it dives into the trenches of Hollywood to provide readers with the knowledge necessary to

rethink the business see past the turmoil recognize the new opportunities and take advantage of exciting new possibilities Change sparks innovation and innovation brings about great opportunity but only for the well informed and prepared

Selling Rights Lynette Owen,2024-07-08 Now in its ninth edition *Selling Rights* has firmly established itself as the leading guide to all aspects of rights sales and co publications throughout the world Covering the full range of potential rights from English language territorial rights through to serial rights permissions rights for the reading impaired translation rights dramatization and documentary rights electronic and multimedia rights this book constitutes a comprehensive introduction and companion to the topic Besides individual types of rights topics covered also include book fairs Open Access the ongoing impact of new electronic hardware and the rights implications of acquisitions mergers and disposals This fully updated edition includes New IP legislation and proposed legislation in the UK and the USA including changes regarding TDM and the post Brexit implications of EU directives and exhaustion of rights The implications of artificial intelligence AI for author contracts and licensing contracts The impact of the pandemic and its aftermath on the promotion and sale of rights Coverage of censorship in countries around the world especially in relation to LGBTQI content as well as political situations which have impacted on rights trading The impact of streaming services on opportunities for licensing television and film rights Major revisions to the chapters on audio and video recording rights the internet and publishing and electronic publishing and digital licensing *Selling Rights* is an essential reference tool and an accessible and illuminating guide to current and future issues for rights professionals and students of publishing

The Global Film Market Transformation in the Post-Pandemic Era Qiao Li,David Wilson,Yanqiu Guan,2023-05-04 This book reviews the development and performance of the global film industry during the COVID 19 pandemic and examines new trends in film production distribution and consumption through a global lens The COVID 19 pandemic has had a substantial impact on the global film industry since the beginning of 2020 There has been significant transformation in terms of film production distribution and consumption Hollywood like many national cinemas across the globe has suffered the most significant impact at all levels the interruption of new film productions shutdowns of movie theatres in many countries and delays in the release of new films among them Many movies made for cinemas were forced to move from release in theatres to various streaming platforms and nontraditional production companies continued to grow their market share This book places the global film industry in a post Pandemic context It provides detailed analyses of specific systems of film production distribution and consumption in national cinemas as well as in Hollywood while also engaging with the key theoretical and methodological questions from the film studies literature This volume is a critical reference for students and scholars of film studies and general readers who are interested in the new trends and transformation of the global film industry in a post pandemic era The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

The De Gruyter Handbook of Media Technology and Innovation brings together scholars from around the world to provide key insights on emerging technology trends and issues related to the fields of media management information technology product design planning and digital lifestyle This handbook is about the power of good ideas It s about those business enterprises government planners educators and entrepreneurs that have harnessed the power of good ideas to become real difference makers in the world we live in Keeping pace with fast paced technology change requires ongoing assessment and reassessment of the media management and technology fields to address important questions and emerging issues A major premise of this book is that given the complex and ever changing state of media technology we have a responsibility and obligation to engage in a broader interdisciplinary dialogue whose purpose is to understand the current and future state of media technology and innovation as well as to appreciate the social impact that such technologies have on business education and the general public Forecasting the future as any weatherperson or stock broker can tell you is a risky business But in this book we use the phrase the creative next step as a way to talk about the future and what we can expect in terms of the opportunities and challenges going forward *Languages and Compilers for Parallel Computing* Mary Hall, Hari Sundar, 2019-11-12 This book constitutes the thoroughly refereed post conference proceedings of the 31st International Workshop on Languages and Compilers for Parallel Computing LCPC 2018 held in Salt Lake City UT USA in October 2018 The 14 revised full papers were carefully reviewed and selected from 26 submissions Specific topics are compiling for parallelism and parallel compilers static dynamic and adaptive optimization of parallel programs parallel programming models and languages formal analysis and verification of parallel programs parallel runtime systems and libraries performance analysis and debugging tools for concurrency and parallelism parallel algorithms and concurrent data structures parallel applications synchronization and concurrency control software engineering for parallel programs fault tolerance for parallel systems and parallel programming and compiling for heterogeneous systems *Sacred Marriage Bible Study Guide plus Streaming Video, Revised and Updated* Gary Thomas, 2025-05-06 Your Marriage Can Lead to a Closer Walk with God Your marriage is much more than a union between you and your spouse It is a spiritual discipline ideally suited to help you know God more fully and intimately Sacred Marriage shifts the focus from marital enrichment to spiritual enrichment in ways that can help you love your mate more Whether it is delightful or difficult your marriage can become a doorway to a closer walk with God Everything about your marriage from the history you and your spouse create to the love you share to the forgiveness you both offer and seek is filled with the capacity to help you grow in Christ s character This

edition of Sacred Marriage includes all new videos from Gary Each session has been updated to include modern research and illustrations key biblical principles about marriage and wisdom from Gary s more than twenty years of teaching since its original release You will also find a wealth of discussion questions in this study guide that will spark meaningful conversation in your group between you and you spouse and that you can ponder on your own This study guide includes Individual access to six streaming video sessions Video notes and comprehensive structure for group discussion time Personal couples study for deeper reflection between sessions A guide to best practices for leading a group Streaming video access included Access code subject to expiration after 12 31 2030 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside

Escaping The Drift John Gafford,2025-11-11 Jumpstart your career and fuel your life s journey with a proven framework to stop drifting chart your own path and pursue meaningful work that leads to extraordinary success Escaping the Drift by Apprentice contestant top ranked podcast host and real estate entrepreneur John Gafford gives strategies for living life deliberately with intention instead of just getting by Whether you re an aspiring entrepreneur a professional seeking a career breakthrough or anyone who wants to tap into their untapped potential Gafford speaks directly to those who feel like they re merely drifting through life searching for purpose and a higher calling Do you have a decent gig but no plan for tomorrow Can you pay your bills each month but every hour seems pointless Are you just going through the motions of life If so then you are caught in The Drift To set a new course for yourself Gafford s highly anticipated debut book teaches you how to Game the System and Read the Unwritten Rules Figuring out the how when where and why of unwritten rules to keep your Drifting to a minimum Work the Angles But in a Nice Way As your conversations change to focus on more positive ideas and concepts watch your life change for the better Mange Risk Since you can never control everything make certain that you re at least 51% of the equation Gafford wrote Escaping the Drift as a user s manual to his younger self If he could go back in time and hand himself a guide on how to stop drifting and start thriving this would be it There s no secret formula no magic bullet But as Gafford says if you re willing to put in the work if you re ready to take responsibility for your life instead of letting the current carry you wherever it wants you can transform your reality in ways you never thought possible
